FOREWORD

The world today is one of constant change.
The past year has been one of worldwide change.
The world has been an ever-shrinking one for
many decades, but improvements in air travel in
recent months have brought the nations of the
earth even closer to each other. Since countries
of the Old World with their beauty and charm,
their culture, fascinating customs, their rich
history of turbulent bygone times, are now in
very truth our next door neighbor, we, The Oak
Staff, ask you to travel with us on an eight day
visit to our friends of other lands.

Glen,
you are a great guy
with a great person-
ality. I have en-
joyed being in your

year.
Lots of luck

A YEAR WITH THE OAK

Each year a special section is placed at the front of the book to relate the activities and events that took place after the completion of the previous Oak.

This year the Oak pictures a twelve month period at Adamson.

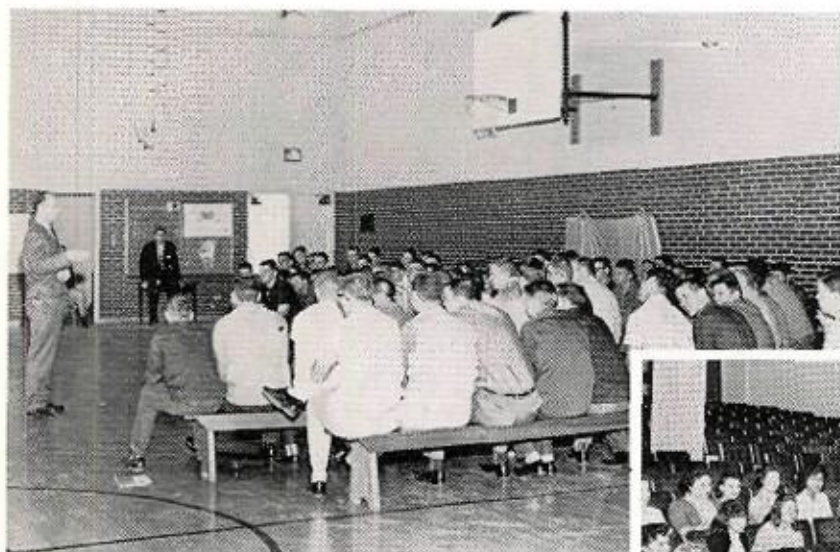

MARCH

10 — As a money raising project, the PTA sponsored a pay assembly for the Student Body.

The assembly included marionette skits and Broadway dance routines.

21 — The Adamson ROTC had their annual federal inspection on Monday morning before school. The group rated top in the city.

"Pro ball can prove profitable."

23 — On Wednesday, the yearly Career Clinics were held here at school. This year was a huge success and helped many students decide their professions.

"Nursing can prove a helpful profession, girls."

25 — After a month of hard practice, Miss Hedde and The National Thespians presented their version of "Queen for a Day." Madaline Parrish, who wanted votes, was elected Queen.

23 TO 27 — The Student Council sponsored Twirp Week from March 23 to 27. The week featured a different activity for each day of the week and was climaxed by the Sadie Hawkins Dance on Friday night.

TWIRP WEEK WINNERS

Mr. Loud Sport Shirt, Kenny Persons, most medals and awards, Jill Grabbe, and Grover Vines, Mr. Neck Tie.

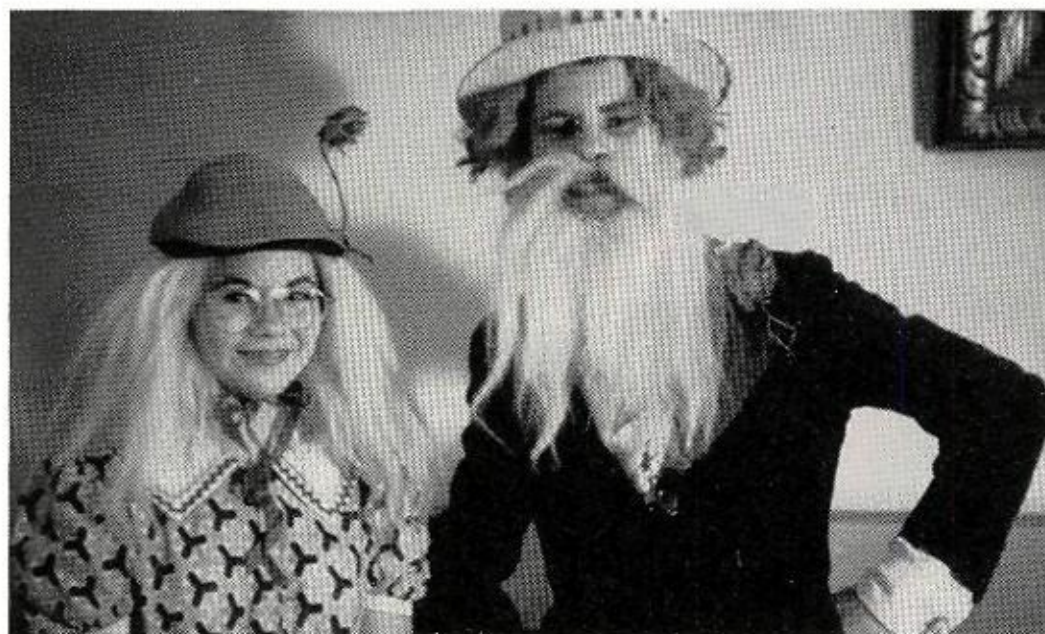

Mr. Medals and Awards, Tommy Powers, loudest blouse, Jeanne Williams, and Buddy Brister (???).

Queens of Western Day, Sandy Reynolds, Laurie McKelvin, and Julie McKelvin.

Three walking jewelry stores.

Winners of the Sadie Hawkins Dance, Judy Talent and Benny Horton.

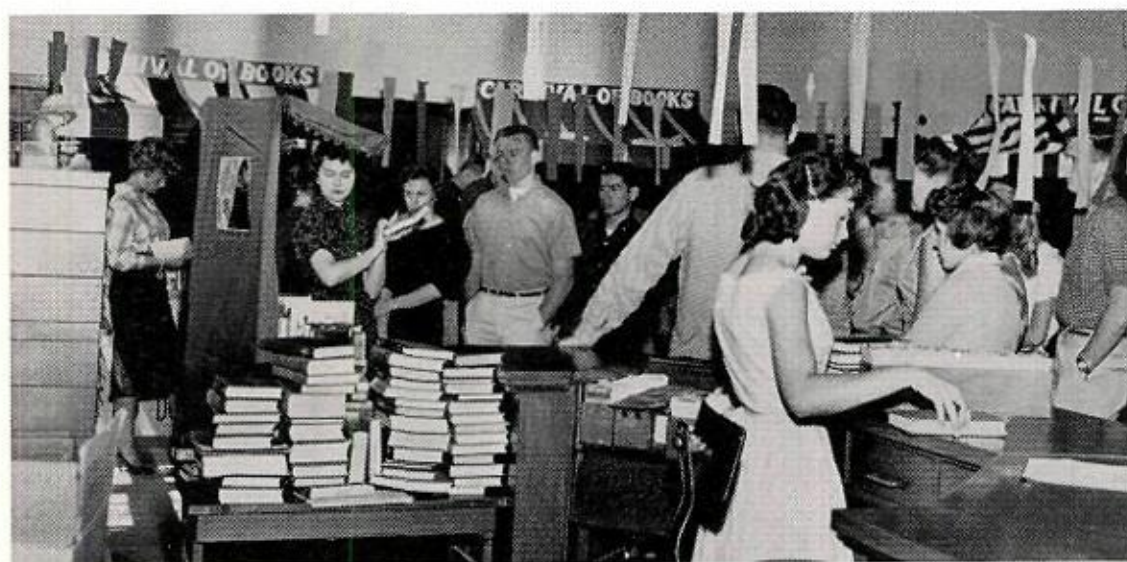

30 — The National Honor Society initiated fifty-three new members on the assembly.

APRIL

1 — The coaches presented an assembly in honor of all the athletes at Adamson. Each one was recognized and some presented their letter jackets.

21 — The down town branch of the library came to the school and conducted a book fair for the seniors. The purpose of the event was to acquaint them with young adult reading.

The library was set up as a carnival and each assistant conducted a different type of review.

The seniors learned many new things about adult reading. Many learned to appreciate books.

"The Girl From Outer Space" was presented by the Seniors as their play in the school auditorium. Judy Summers played the lead.

"Well, she's sure not one of us."

"No, no, put down that gun."

Student Day is held at Adamson each year to test the student's leadership abilities. A student teacher is selected to teach each class.

Jimmy Runnels acts as principal.

Tardy cards are given by Yvonne Harris, Secretary of the Student Council.

Assistant principal,
Don Taylor.

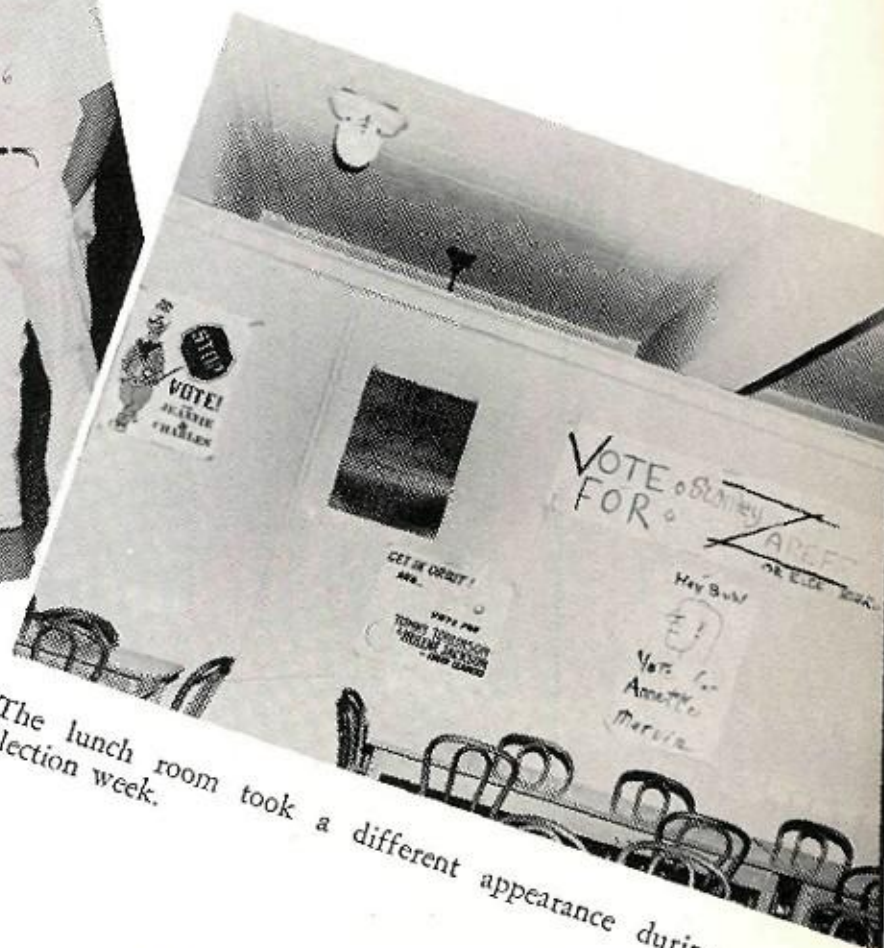

MAY

6 —

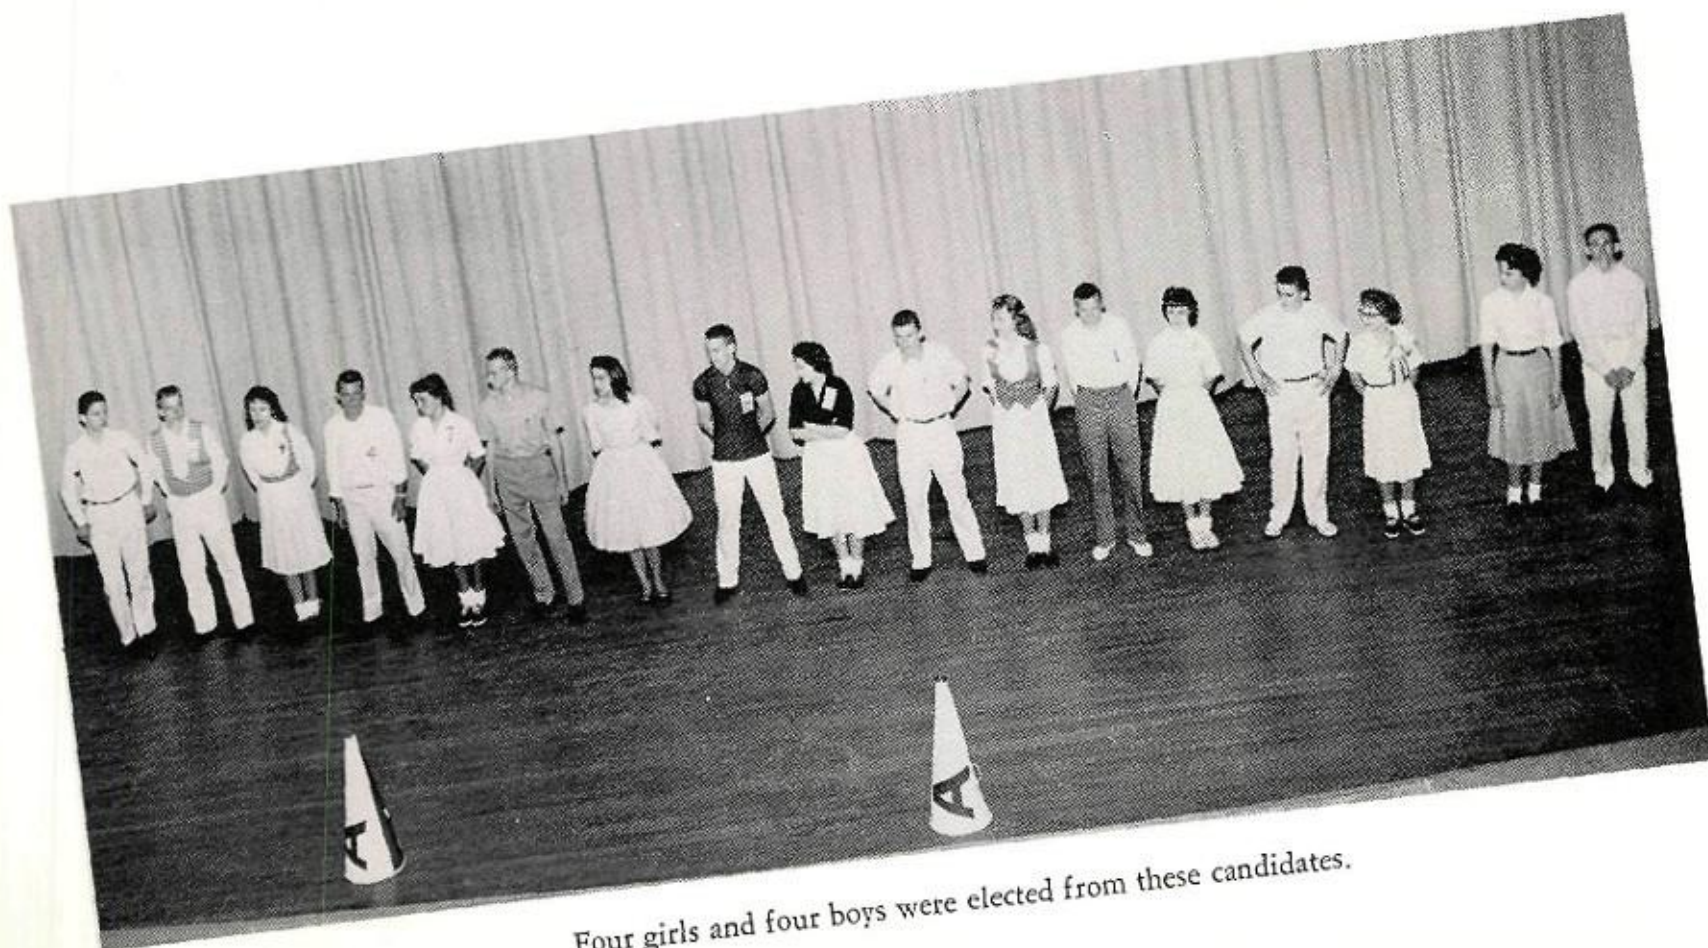

After over a month of screening and campaigning, seventeen candidates tried out for cheerleader before the Student Body. Each couple led the group in one yell and after the assembly all students voted in first period classes.

Tense and serious moments are expressed by the cheerleader candidates.

The lunch room took a different appearance during election week.

Four girls and four boys were elected from these candidates.

11-12-13 —

Select Chorus presented the Gilbert and Sullivan musical, "The Mikado." After many hours of hard work and practice, the show ran for three nights with much success. This was the second year the group, sponsored by Mr. Joe Teague, presented the Broadway musical.

Bright color and beautiful voices marked the second production of the Gilbert and Sullivan musical, "The Mikado."

The long awaited moment finally arrived. The Oak presentation marked a special day for all. After a year of hard work, many complications, and worries, the ideas of the 1960 Staff returned produced in the form of a yearbook, The Oak.

(1) Pat Hunt, editor, presents the Oak to the Student Body. (2) Doctor Frances Freese, teacher of mathematics, receives the dedication. (3) Orchids go to Mrs. Morell Moore, sponsor of the Oak. (4) An expression of gratitude goes to Mr. Finley, who spent many hours of hard work on the Oak business. (5) A chance to express our friendship.

As a climax to the spring semester, the Baseball Queen and Princesses were announced at the Sunset game on April 19. Students voted when they purchased a ticket to any game. They voted for the girl of their choice. The one getting the most votes became Queen and the next three, princesses.

JUNE 3

If a picture is worth a thousand words, there's no need to write another sentence on this page.

The excitement, the enthusiasm, the happiness, the relaxation, and the satisfaction that is expressed by these shots of the closing of school are obvious. Taken by Mr. Joe Teague, the photographs bring to mind the closing of the 1960 term.

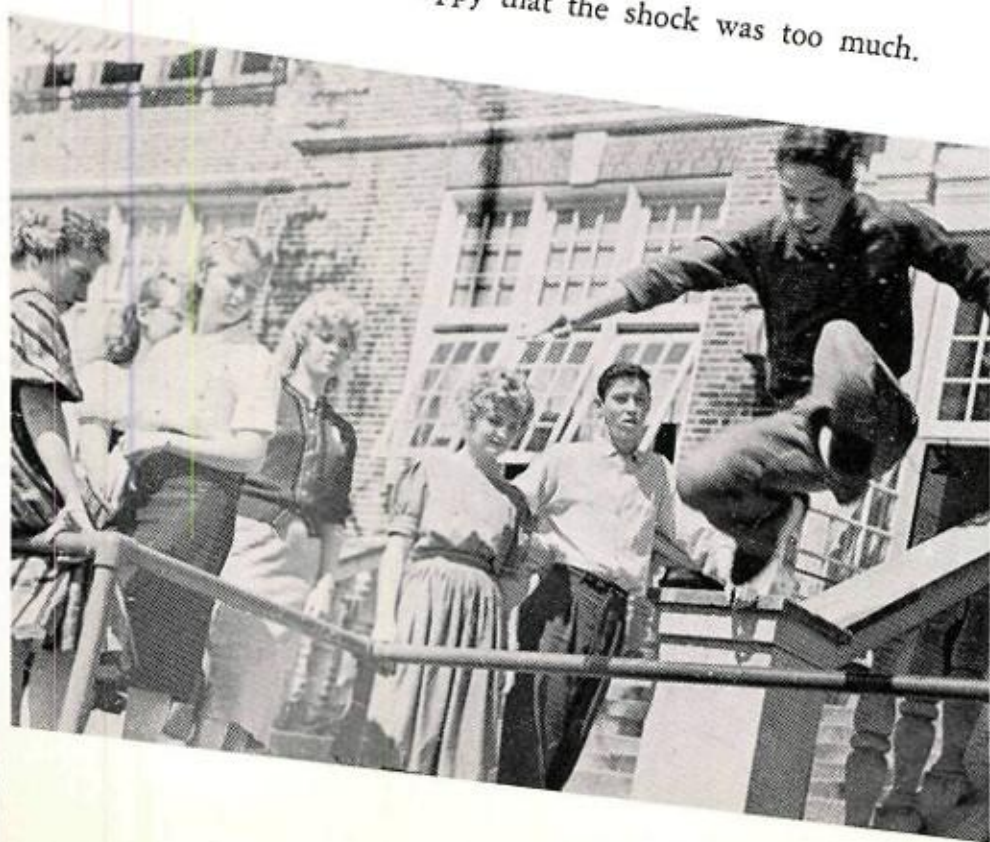

Count down for the bell . . . 3 . . . 2 . . . 1 . . . 0

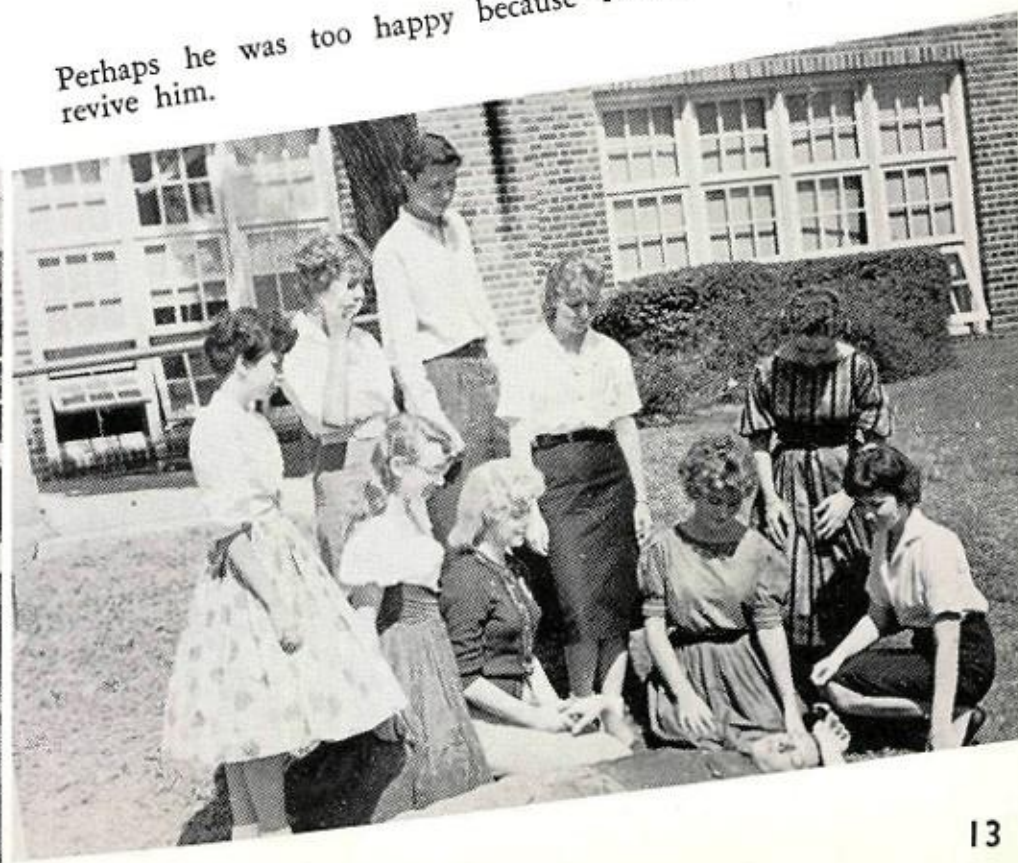

School is out!!!

Stanley was so happy that the shock was too much.

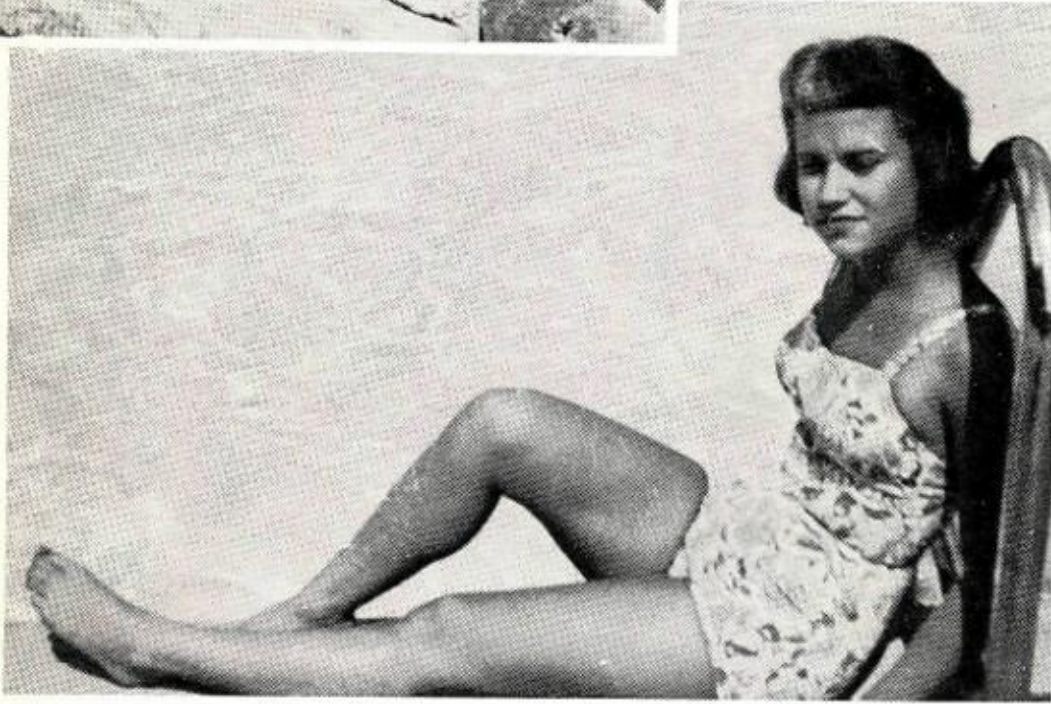

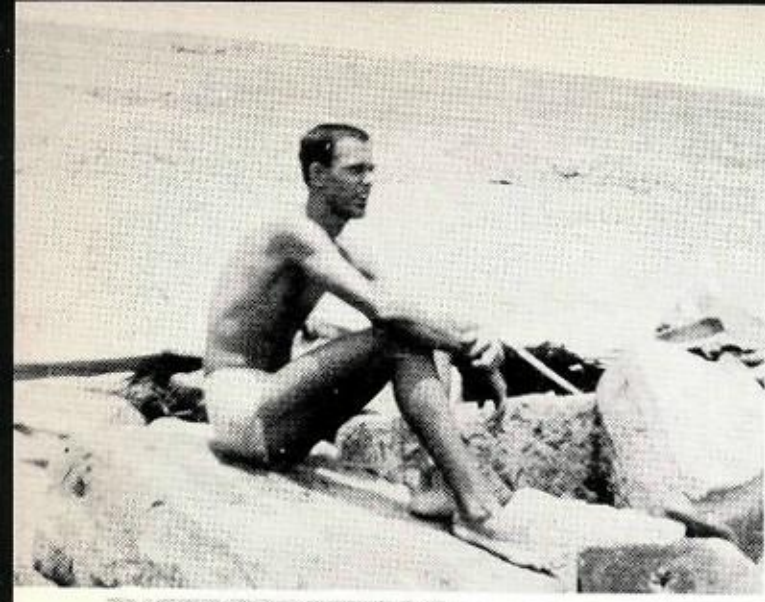

Perhaps he was too happy because fellow friends couldn't revive him.

JUNE, JULY,

WITH SCHOOL AND HOMEWORK
CAST ASIDE, MANY DAYS OF LEI-
SURE MOMENTS AND FUN-FILLED
HOURS WERE AHEAD FOR ALL. THE

Summer meant the opportunity to enjoy nature and the fun of being out-of-doors. The sun lovers are Toby Waldie and Tommy Foster who is the brother of Hercules (?)

For others, it was a chance to enjoy our friends of the animal world. (Senior Janet Lusk and Duck above)

Summer is also a chance for that needed vacation. Not all of us were lucky enough to go to Disneyland as Norma Murray did, but a change of surroundings can make a big difference!

AND AUGUST

WARM DAYS AND COLORFUL SURROUNDINGS THAT ONLY SUMMER POSSESSES INSPIRES VARIOUS ACTIVITIES.

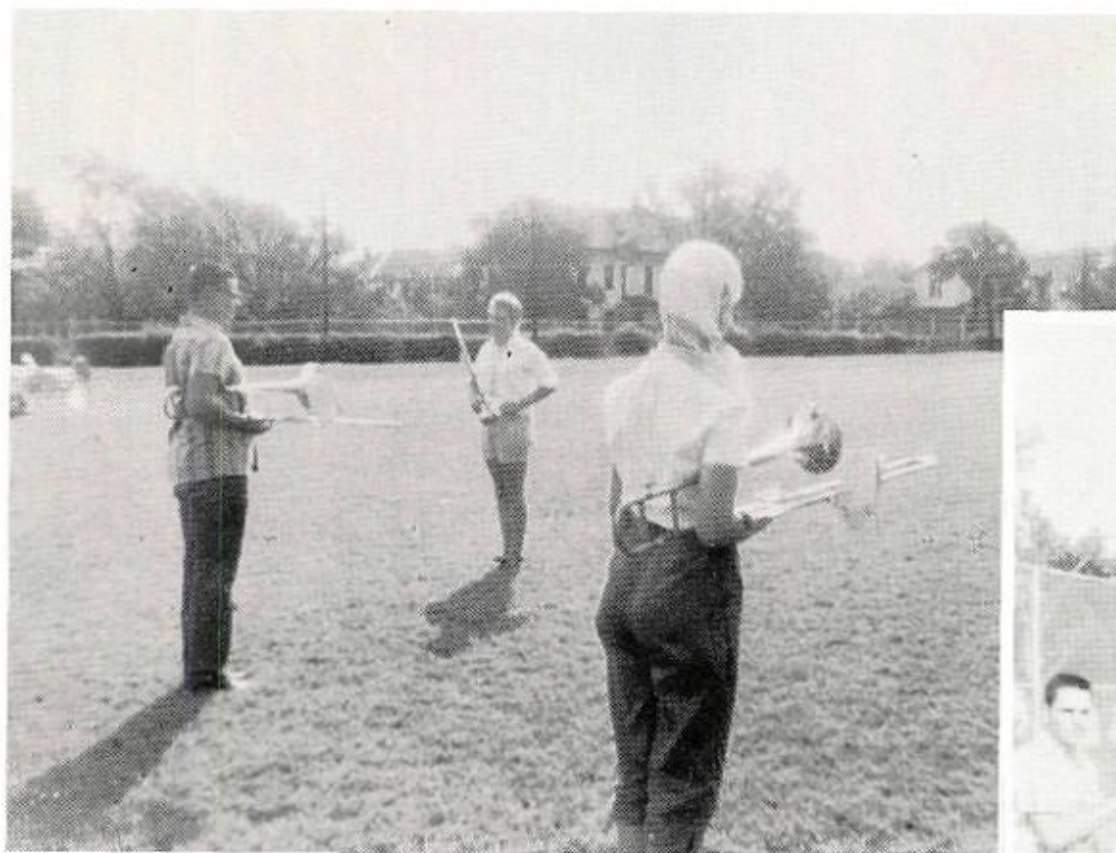

QUEEN OF SHEBA
and
ASSISTANT

The annual Leopardette slumber party was the climax to summer practice. The twirling team worked each Tuesday night on half time routines for the coming football season.

"Why do they call this a slumber party, no one is sleeping?"

READY!

The Blue Band also practiced once a week during the summer months. The result? A good band!

SEPTEMBER

7 — The first day of school. The summer was over for all of us. The beginning of school meant football games, new friends, and homework!

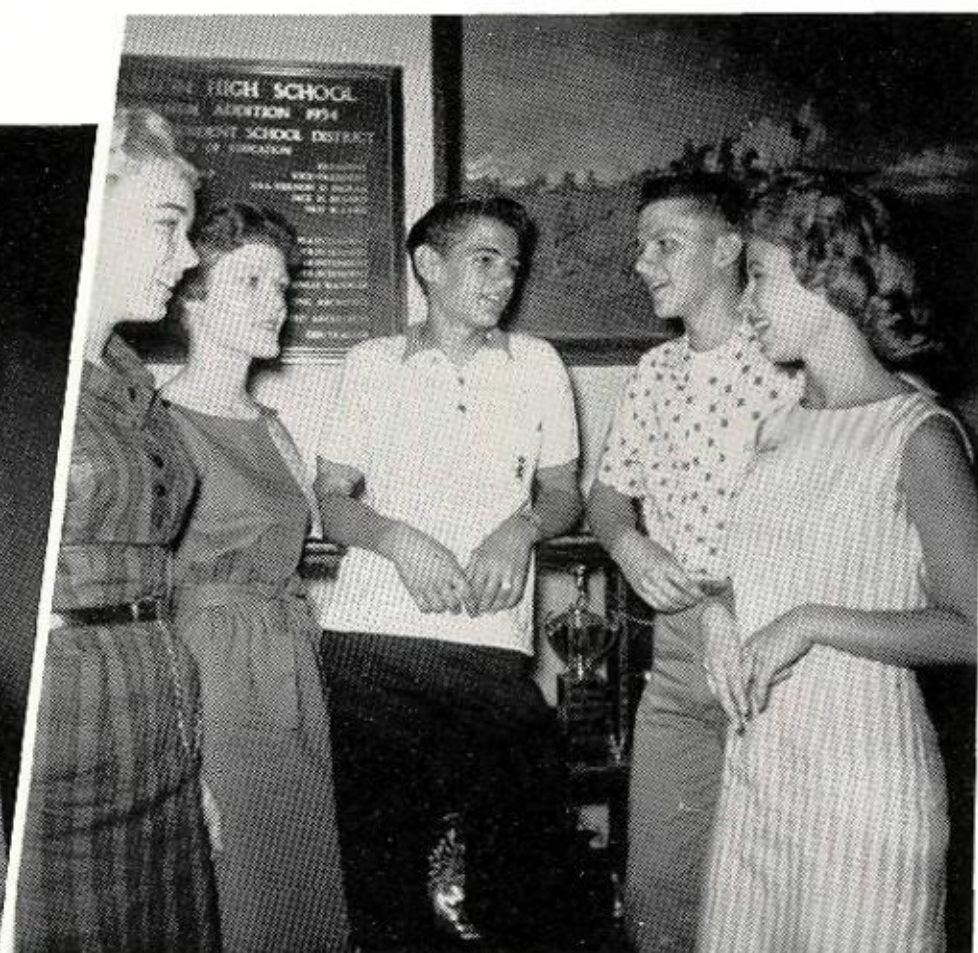

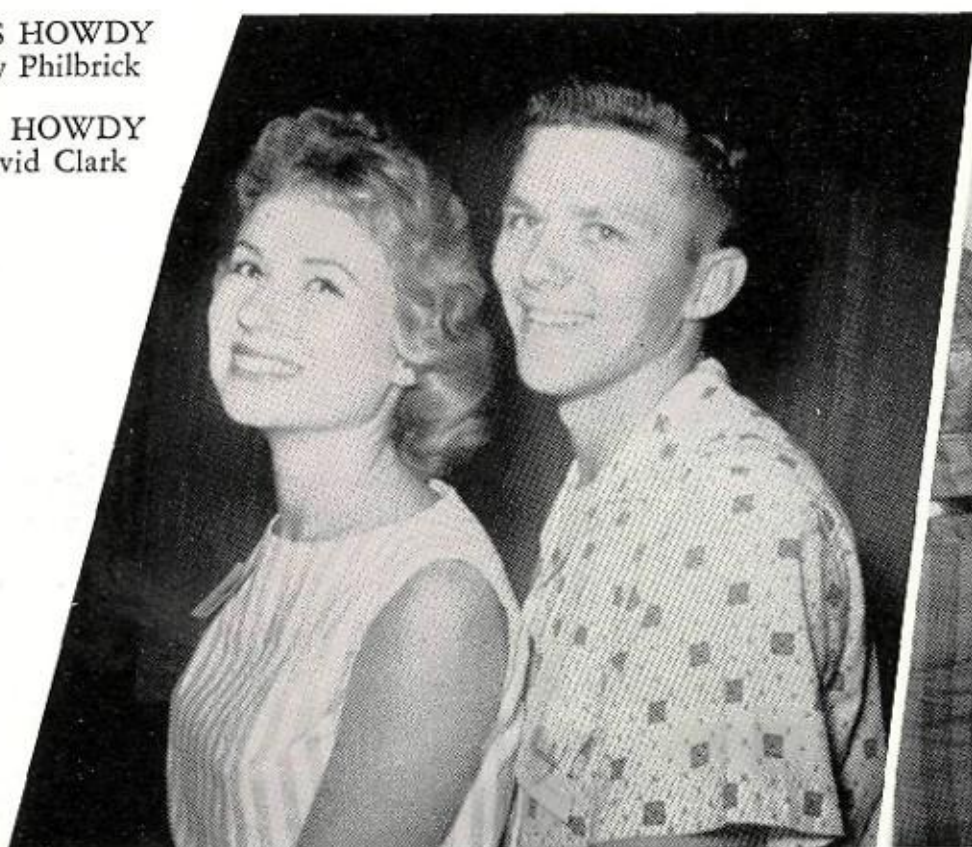

16 — Marked the first out-of-town game. This year it was Longview. The Leopards did well against the previous State champions, 6 to 6 tie.

10-16 — The first event sponsored by the Student Council during the '60-'61 term was Howdy Week. All new students voted for the most friendly boy and girl.

OCTOBER

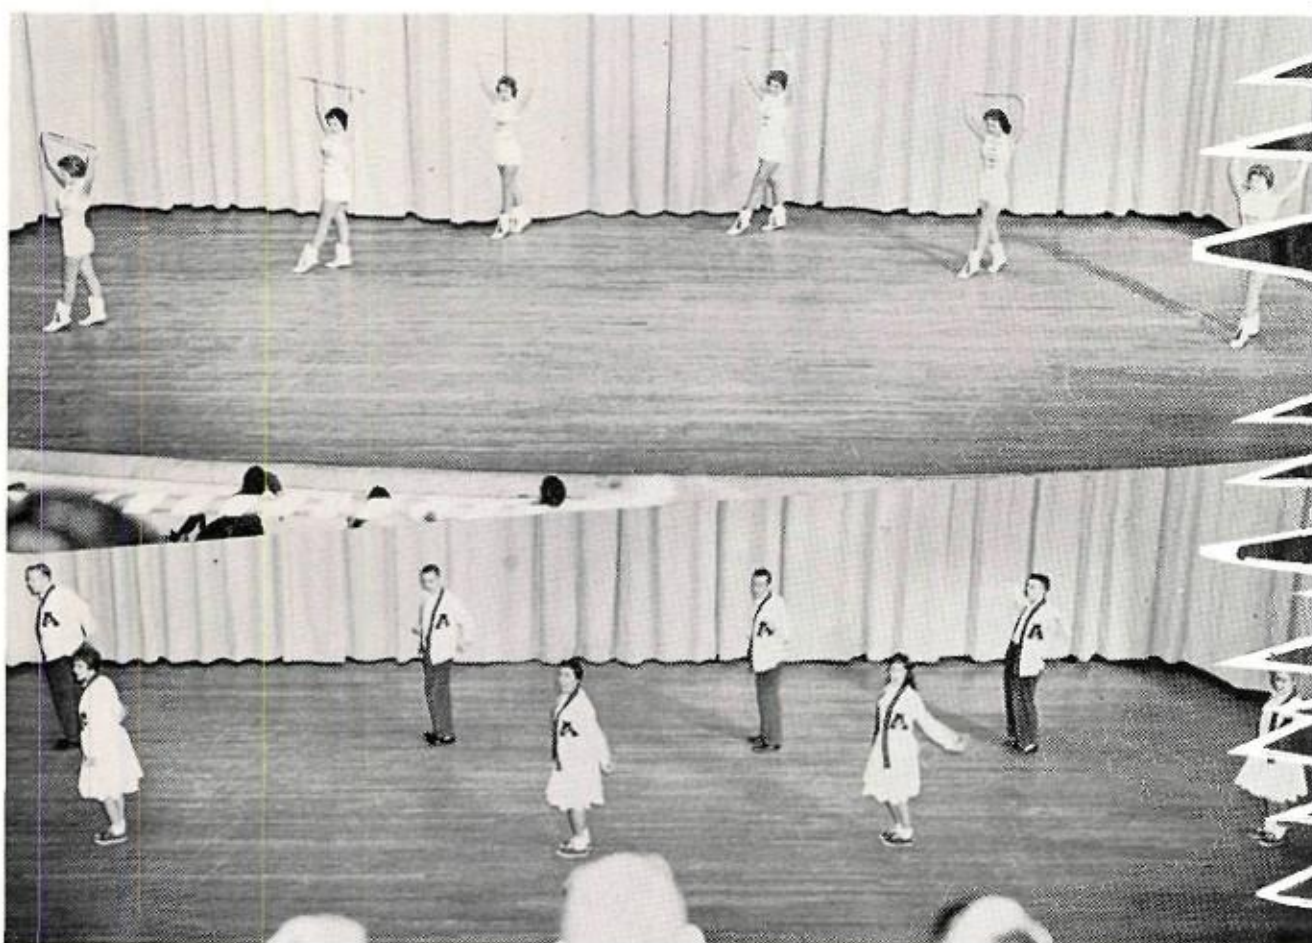

17-21—

As a welcome mat to exes, the Student Council sponsored Homecoming Week. A huge success, many graduates returned for the assembly and dance, which climaxed the Week's activities.

The Golden Debs, Adamson style, were a humorous addition to the pep assembly.

As a gesture of sportsmanship, the SOC cheerleaders sampled the Leopard spirit by leading a few yells.

Other than these events, an enthusiastic assembly marked the Homecoming festivities. The cheerleaders and Leopardette Leaders performed and the Court was announced with Judy Philbrick as Homecoming Queen.

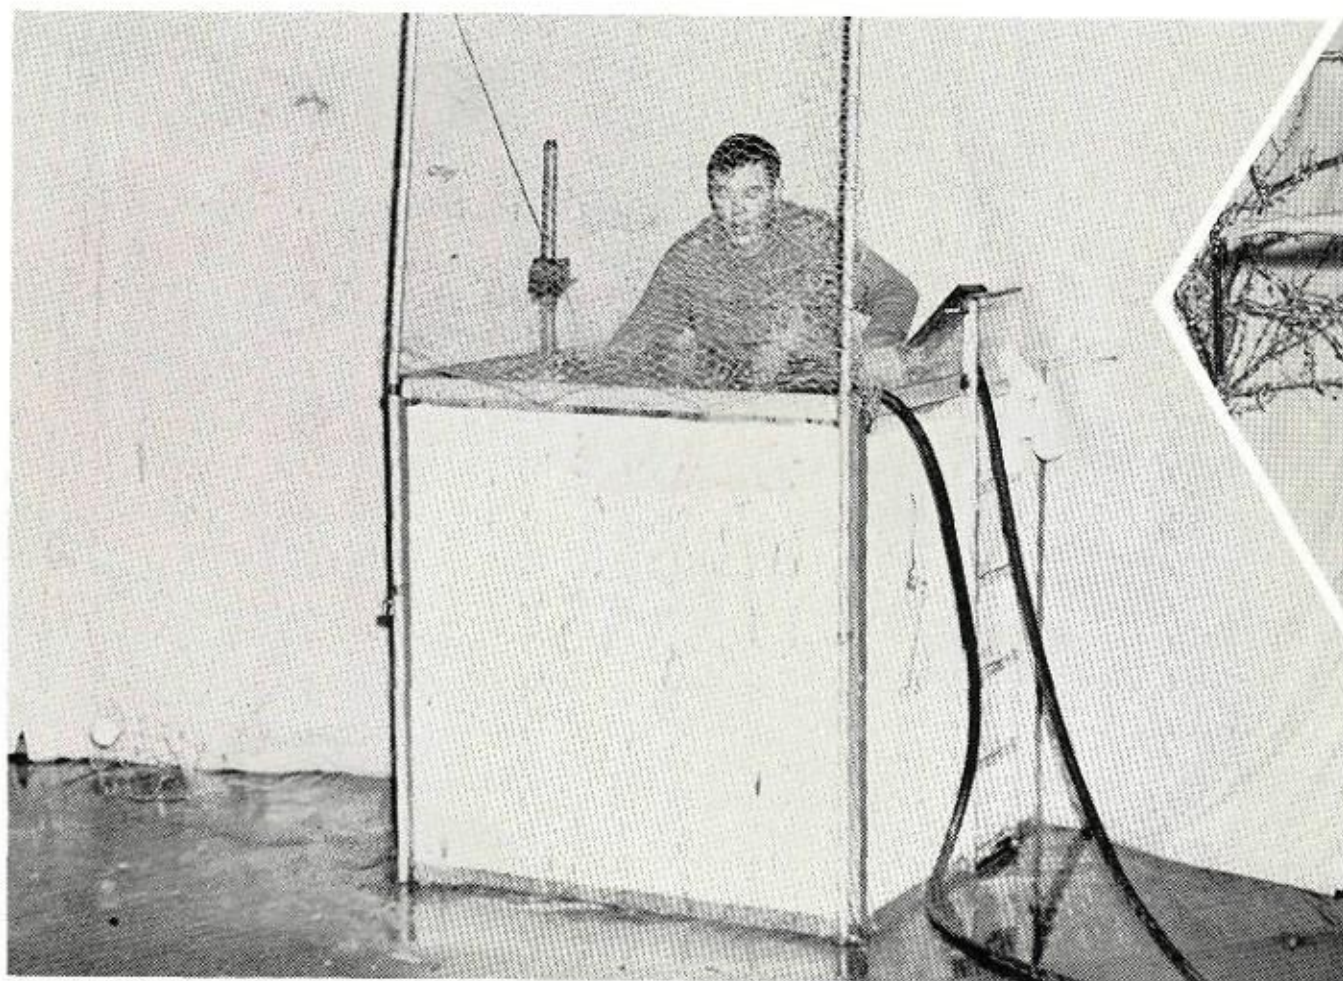

OCTOBER

7 — The PTA and faculty sponsored the annual Fall Frolics here at Adamson. Students, families, and friends were invited to come and spend an evening of fun. Everyone had a big time and the fall frolics were a huge success.

Supper was served in the lunch room starting at five-thirty and several side shows were going until the main show at eight o'clock.

The Leopardettes went into business for themselves with the Blue Leopard Coffee House. A beatnik atmosphere was created in the armory and poetry was read.

Business was bombing at the Duckin' Pond between the school and the boys' gym. Mr. Ligon was the sitting duck!

The National Thespians sponsored a musical pantomime side show in the film room.

Mr. Robert Davis was
the informal (?)
M.C. of the Fall
Frolics.

Peggy Polston, Carolyn Morgan, and Tania Morgan "Wished They Could Shimmy Like Their Sister Kate"!

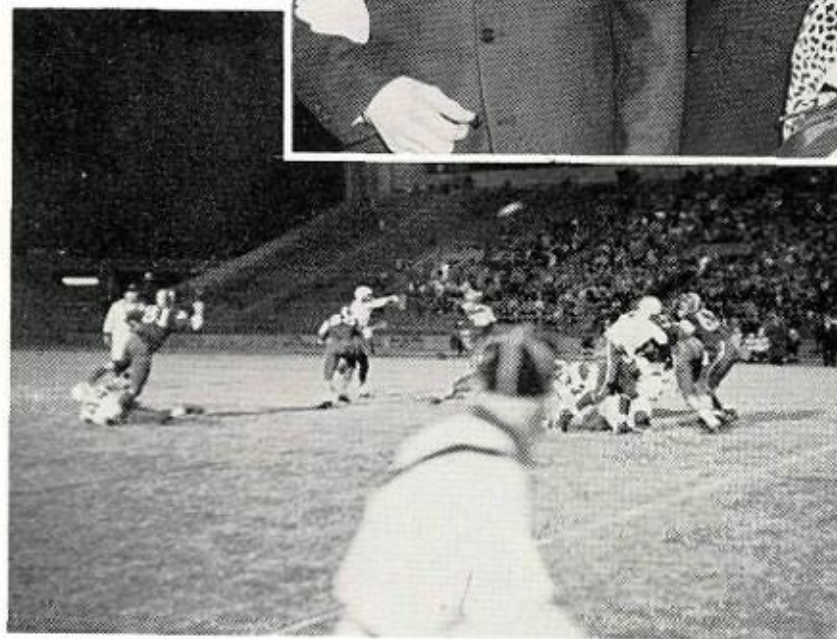

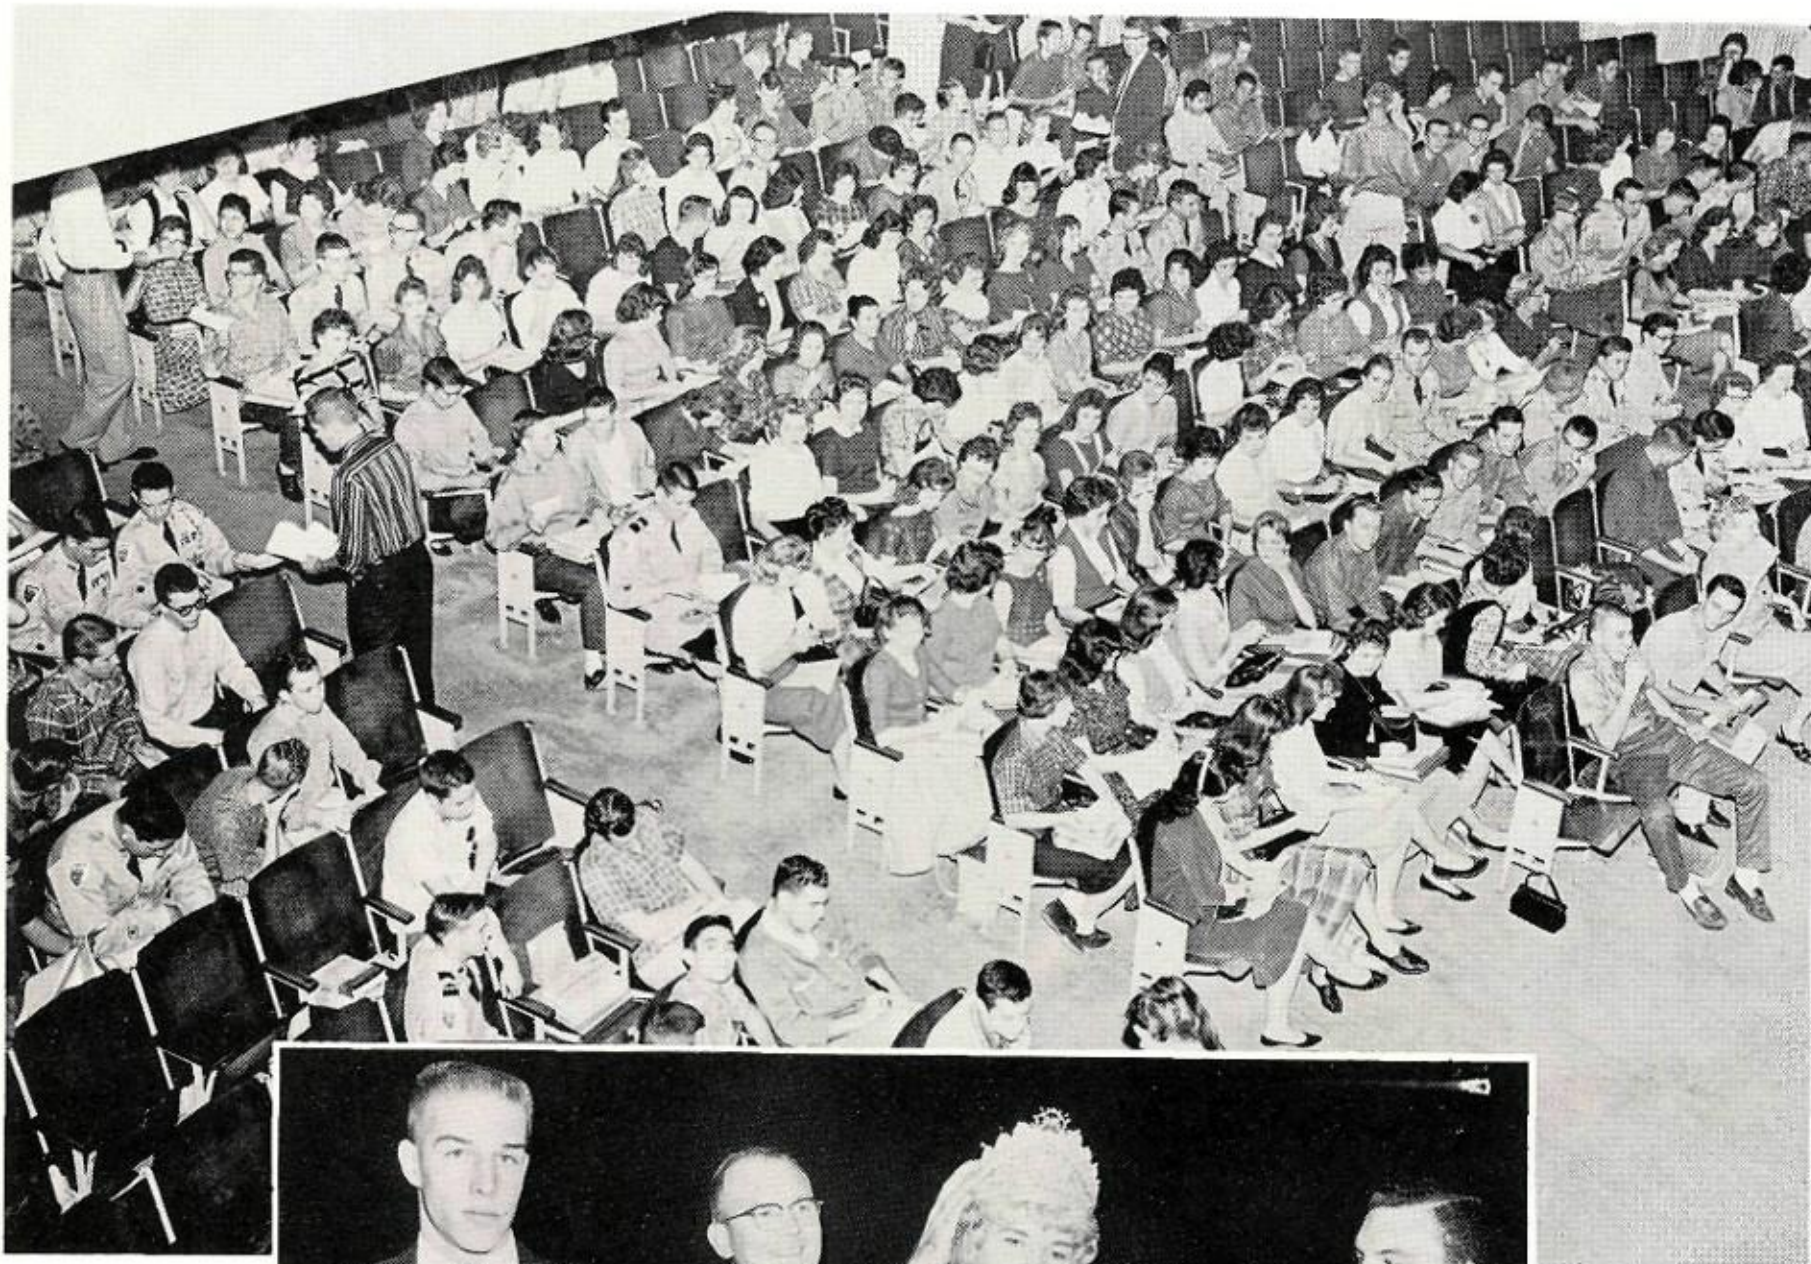

Mrs. Moll, Miss Spruiell,
and Mrs. Moore
sang an "up to
date" rock and roll
number.

The Faculty presented a fashion show to represent the dress of their time.

NOVEMBER

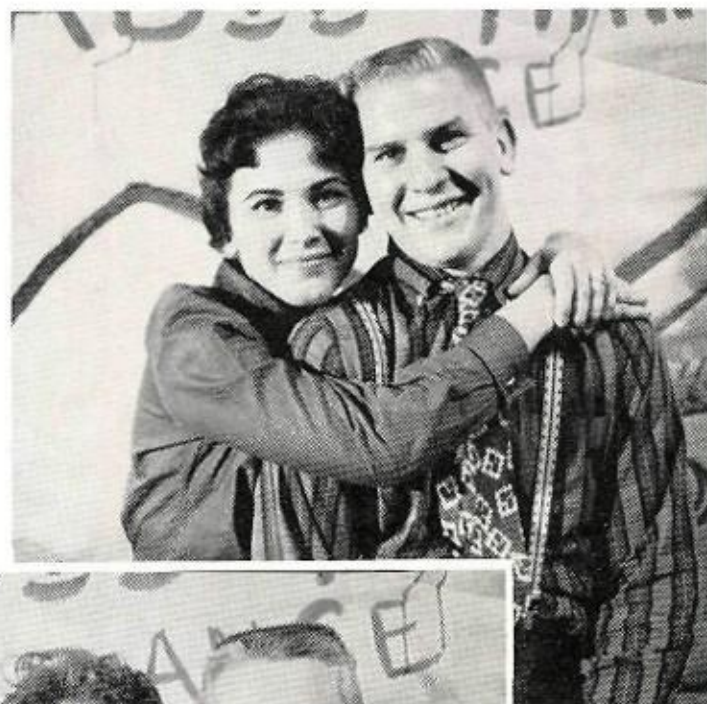

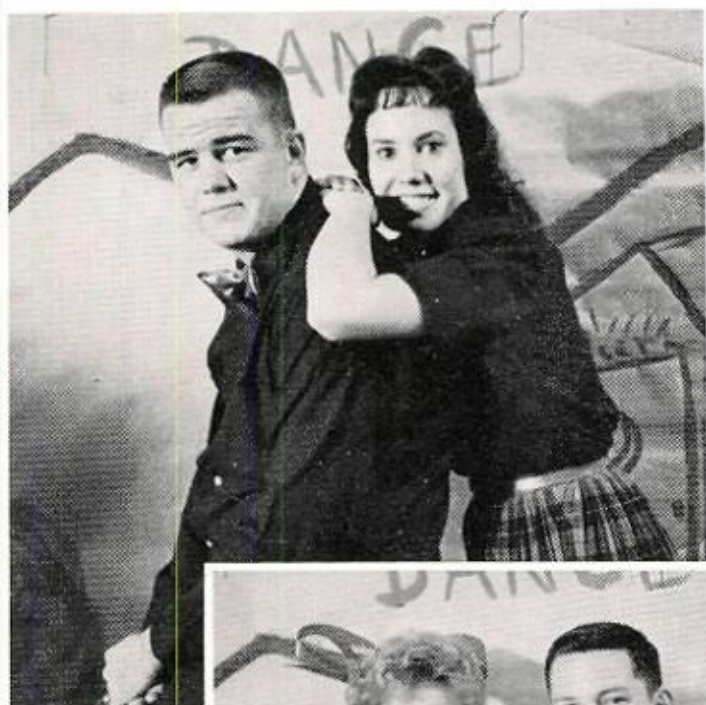

13 — Plans for the senior activities went into full swing as the 4B class met in the auditorium during the counseling period. The Program and Social Chairmen outlined the general run-down of events for the spring festivities.

11 — The football game with Sunset, Adamson's oldest rival school, was the climax to the 1960 season in more ways than one. It was the last game of the season, and it marked the Leopard's conquest of the South Zone Title. A huge crowd saw the mighty Blue and White down the Bisons for a 26-14 victory which entitled Adamson to the city play off, and they saw the crowning of the 1960 Football Queen, Miss Pat Archer.

The annual Sadie Hawkins Dance sponsored by the Acorn was held in the girls' gym. The girls were free to ask the boys, so it meant a date with that special someone. Everybody departed saying, "it was one big time."

DECEMBER — (MONTH OF ASSEMBLIES)

The last month of the 1960 year. The preceding three days before the holidays, featured an assembly every morning.

The music department presented two fine assemblies. Select sang the "Messiah" and the Band played Christmas melodies.

The lunchroom took on a Christmas decor, thanks to the Art Club.

The Penny Parade was a bigger success than ever. Pictured above are some of the entertainers of the assembly.

JANUARY — (MONTH OF EXAMS)

Days of gloom and sadness hovered over the Students of Adamson! Reason? EXAMS . . . (no pictures available).

FEBRUARY — (MONTH OF DANCES)

This month featured two of the biggest dances of the new year.

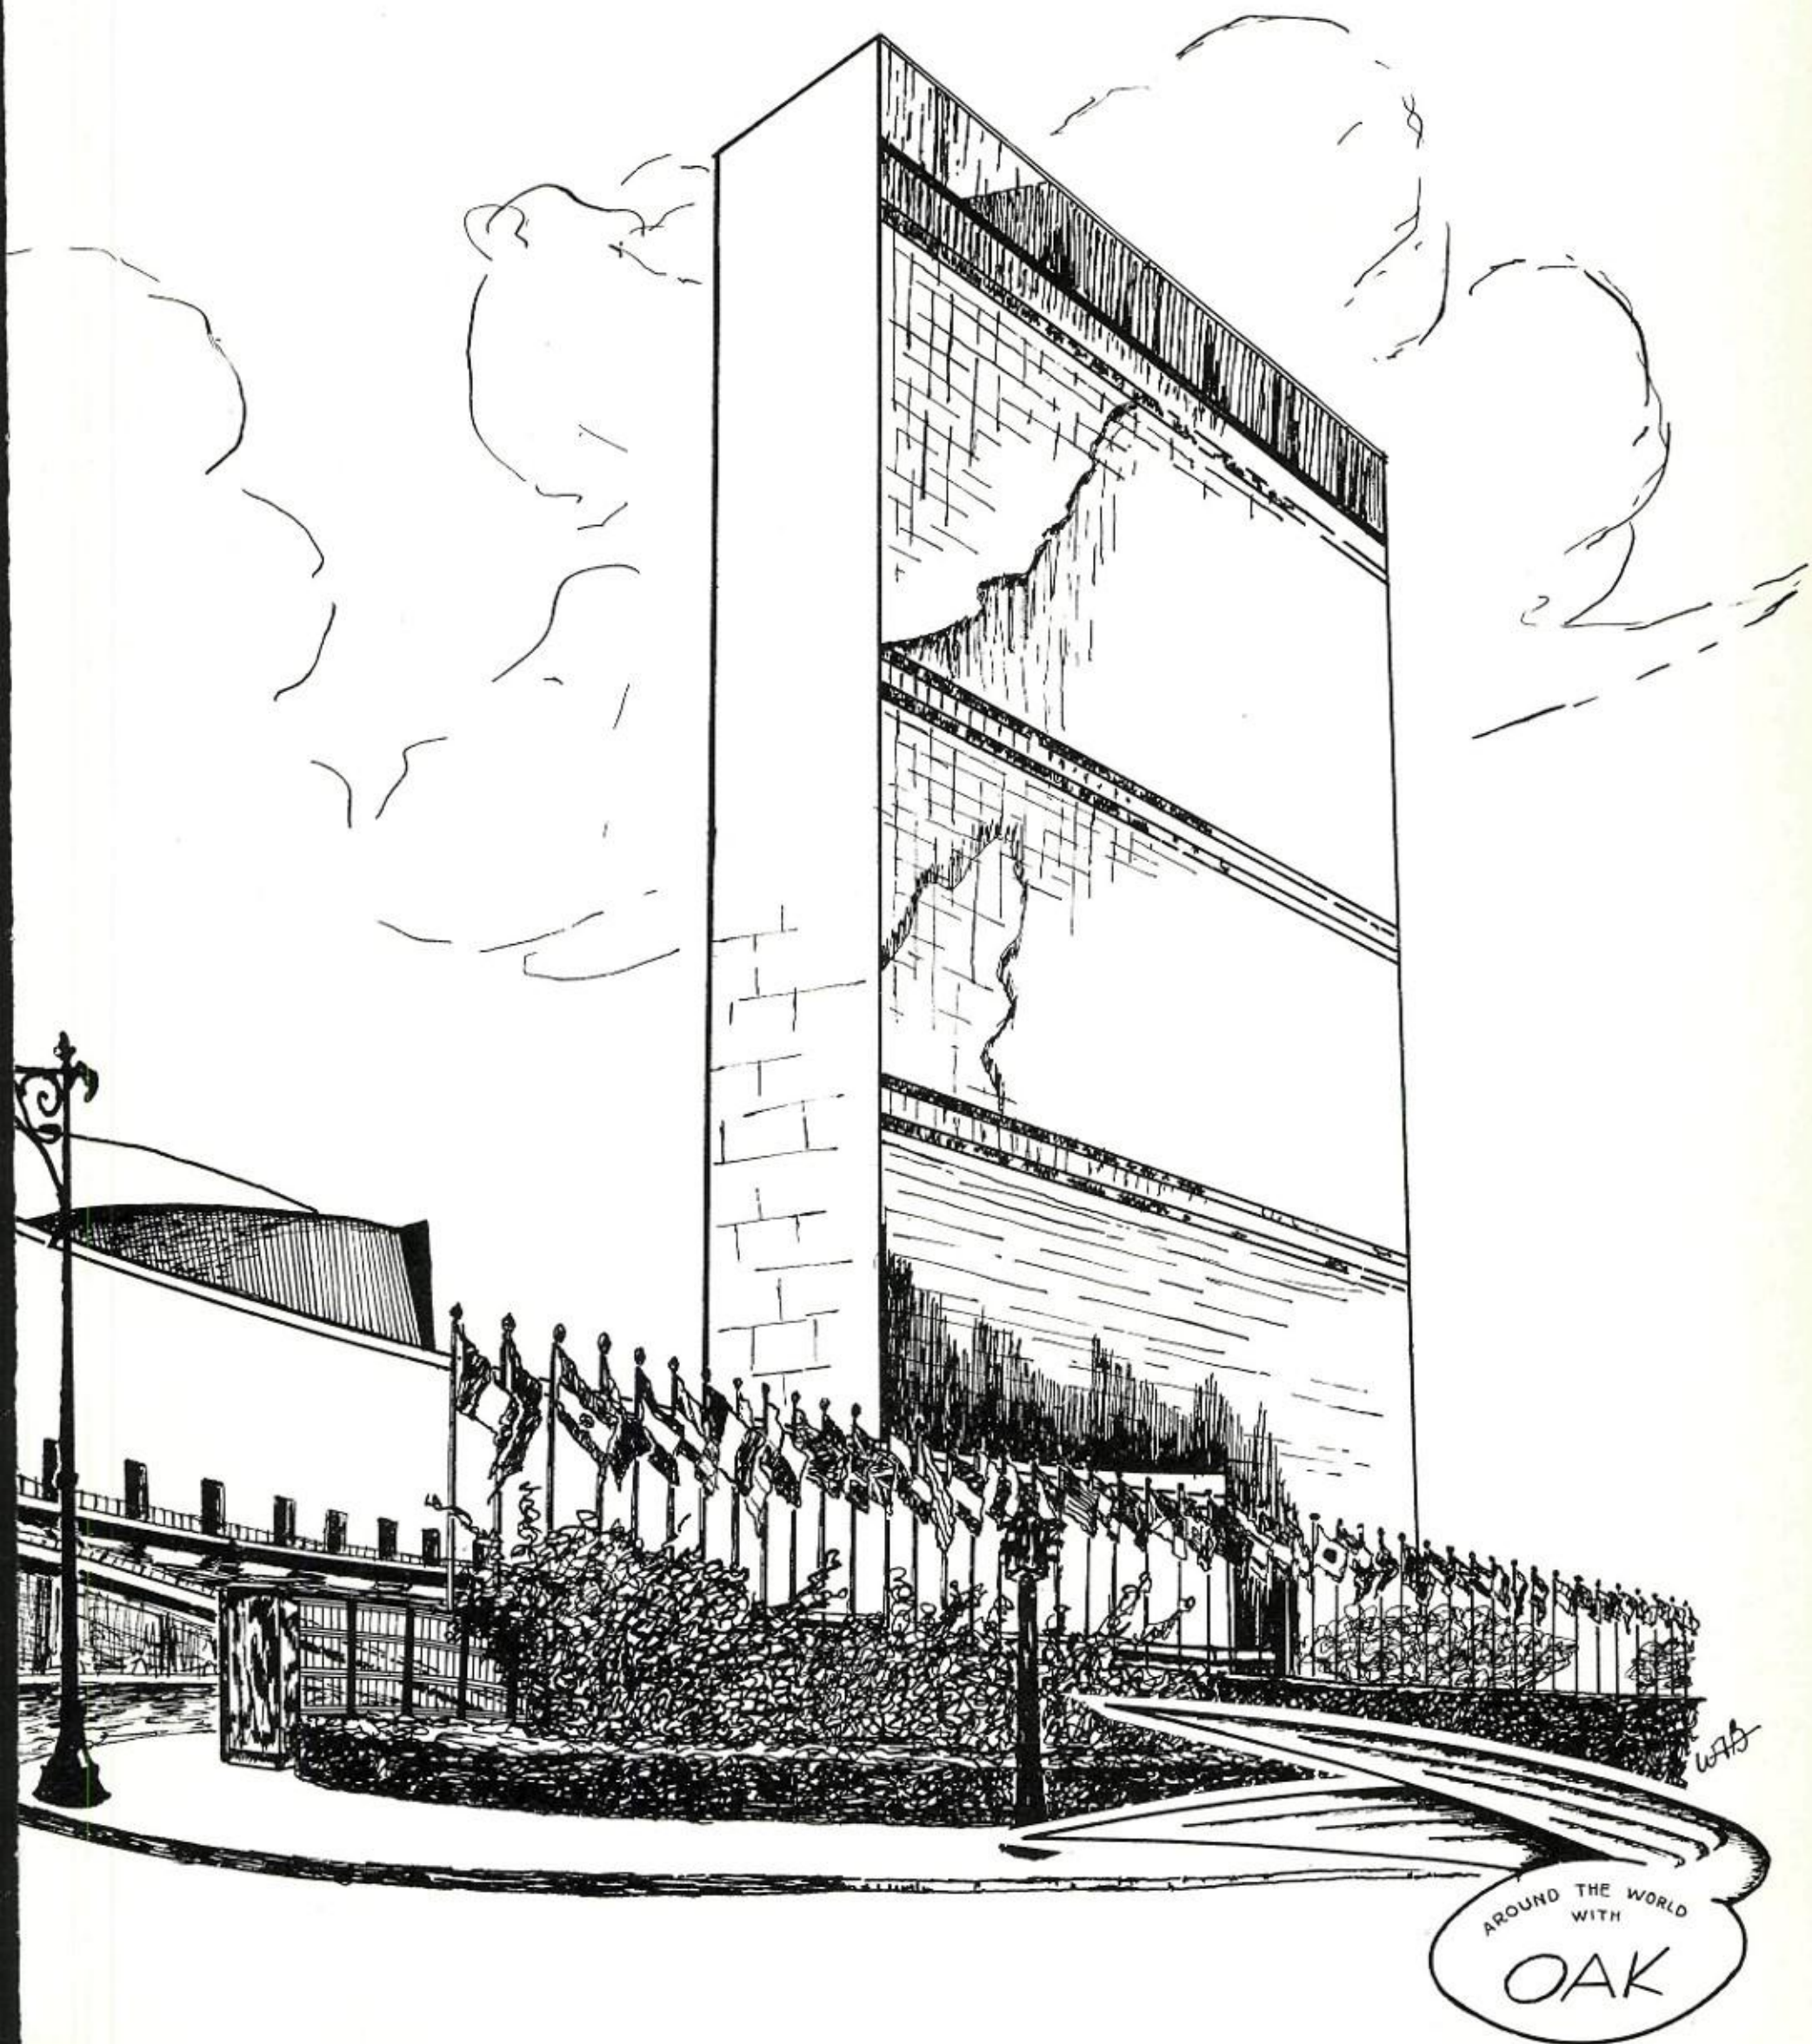

The "Stardust Club," Quill & Scroll's version, offered a night club atmosphere for the students. Highlight of the dance was the presentation of the 1961 Oak Favorites.

And so ends another year, as far as the OAK is concerned. For the Seniors, it's all of high school; for the Juniors, it means looking forward to the all important senior year; the poor sophomores and freshmen don't have anything to look forward to!

The Military Ball followed the Stardust Club in both success and time. Janice Coffee reined as Queen of the dance.

DEDICATION

Winnie Langford

In appreciation of her thoroughness and love of learning, her desire to instill these traits in her students, and her devotion to the school, the seniors of 1961 dedicate this volume of the "Oak" to Miss Winnie Langford.

Seniors, as you complete these final days at Adamson High School, will you firmly fix your loyalties among your educational goals. Loyalties should become personal obligations to protect and defend those things that matter most in our land—homes, ideals, friends, freedoms, our American heritage and our God.

In this organization, our parents and teachers work together to better our standard of education and increase our interest in scholastic studies.

The PTA sponsors many school functions and works for the happiness of each student. The Fall Frolics in the fall and the pay assembly in the spring are just a few of the money raising projects.

The members preside at our dances and other social functions. For this, we say, "hats off to our Parent-Teacher Association."

For their dedicated service, we say THANKS to "our dads."

1960 RETIREES

Missing from our faculty this year have been two of our best loved and most capable teachers, Miss Helen Aduddell and Mr. Henry Hester. For the fifth consecutive year, the student council has sponsored "Howdy Week." Throughout the week students wear cards which display a big friendly "HOWDY" and the wearer's name.

As a climax to the week, a dance was held and the most friendly girl and boy were elected by the new students and were crowned MR. and MISS HOWDY.

Both the cheerleaders and the pep squad proved to be *THE BACKBONE OF LEOPARD SPIRIT* during the 1960 sports season.

THE 1960 CHEERLEADERS . . .

carried the spirit of Adamson all the way from the conquest of the South Zone title in football to the victories of basketball and baseball.

The spirit builders practiced once a week during the summer months and planned pep assemblies all through the fall semester.

DELOIS TILLY, who served as cheerleader last year, was elected Head by her fellow members due to her leadership and ability. Senior JERRY ARNOLD, a veteran cheerleader from Boude Storey Jr. High, was very spirited and worked hard to promote Leopard spirit. "A lotta vocal ability" is just one of the descriptive statements that mark SANDY REYNOLDS. His character and cheerleader qualities cinched the election for PAUL CALLAHAN. RODDAH HYDE's high voice and hilarious jumps added to Adamson's height in spirit for the '60 season. JEANNE MARBEL, who was elected during her freshman year, is expected to achieve many cheerleader honors. DAVID CLARK worked hard to push the spirit of Adamson. Spirit and vitality mark senior EDDIE CRONAN.

THE LEOPARD BAND

SHOWCASE OF W. H. ADAMSON

Next to our football team's winning the South Zone Championship, the biggest news for the Leopard Band was the arrival of seventy-seven new uniforms just in time for the championship game with W. W. Samuell. The Leopard Band had an active fall season playing for the pep assemblies and presenting half-time shows for all the football games. Besides accompanying the team to Birdville and Longview, the band travelled to Denton and Austin for the N.T.S.C. and University of Texas Band Days, played in two torch-light parades and one concert during the State Fair, and participated in the Cotton Bowl parade. The band was also special at the annual Cotton Bowl Classic on January 2. The band was especially fortunate during the football season to have Adamson alumnus, Steve Bayless, as a student teacher. This permitted an expanded program of shows and activities.

LEOPARDS CAPTURE SOUTH ZONE TITLE

For over two months during the 1960 football season, Adamson's victory flag displayed the proud conquest over Leopard foes.

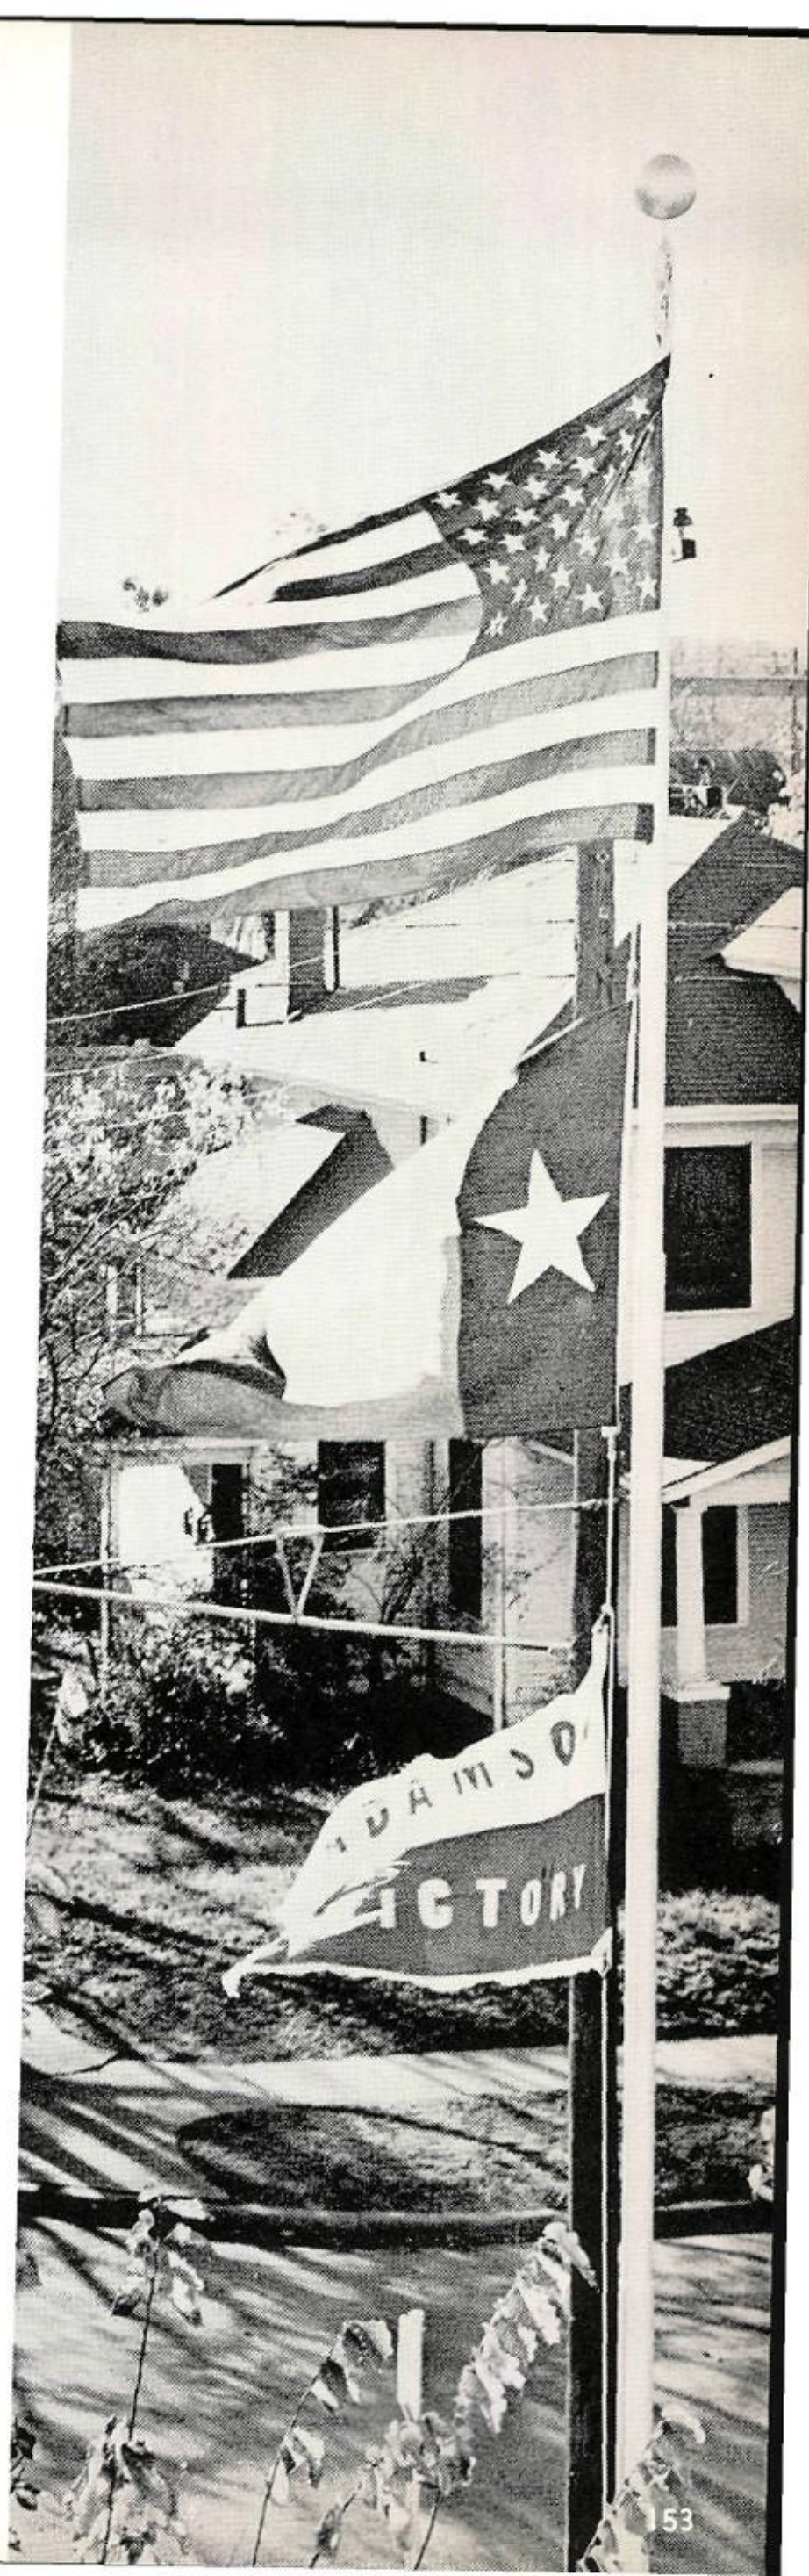

Seasonal record showed only one loss and one tie. Hillcrest jumped the gun, scoring on the kick-off and holding the Leopards down throughout the game. A shortage of time was a large block in the path to victory for the cat's game with highly rated Longview Lobos. Rain proved to be to the Leopard's advantage for a tremendous win over Birdville. The Adamson eleven kept this winning streak throughout the pre-district games and later over-powered the Jesuit Rangers and Bryan Adams Cougars for a fine climax to the '60 season.

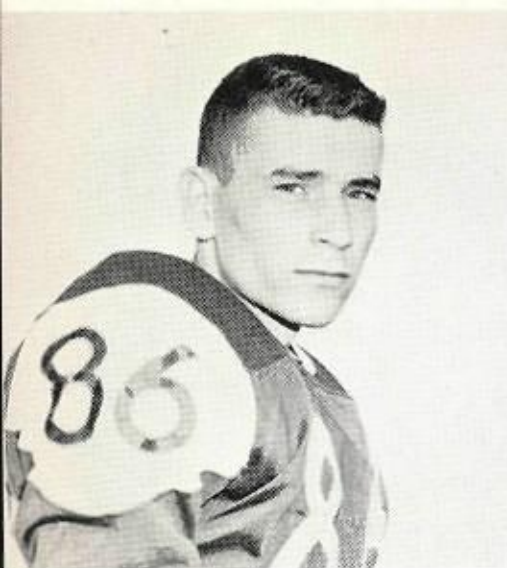

Coach Jim Batchlor's pre-season worries soon vanished as Adamson entered the South Zone 6 AAAA District with one loss, one tie, and two wins.

ADAMSON DROWNS KIMBALL

26-6 Win Proves Knights Poor "Ducks"

With a drenched field and an ocean of water, the Adamson Leopards drowned the Knights of Kimball Land for the first district win.

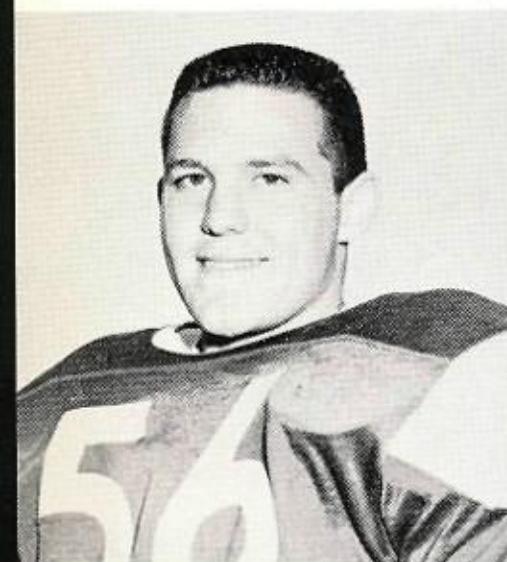

Stanley Puckett proved himself an able-bodied seaman, scoring three touchdowns, his longest for 65 yards on a Kimball fumble.

The rain proved to be to the Leopard's advantage. Kimball made 13 fumbles, with Adamson recovering 7 of them and scoring on 3.

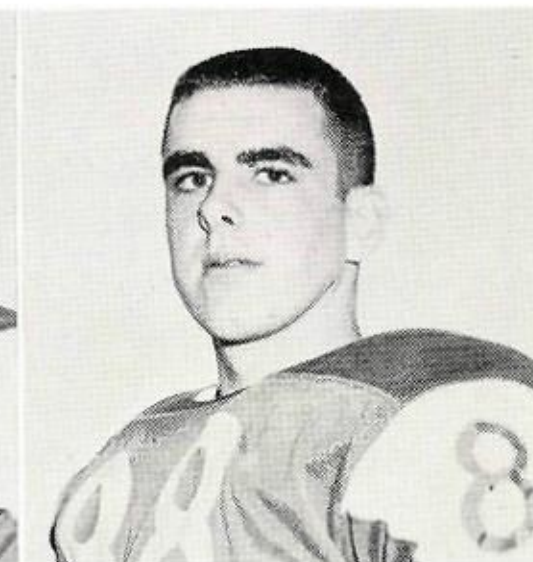

The fast thinking spotted cats took to the water like "ducks" for a 26-6 win.

ADAMSON	0	14	6	6—26
KIMBALL	6	0	0	0—6

The rain discouraged the some 1,000 fans that had gathered during the first quarter, but very much pleased the team. Why? Adamson 26, Kimball 6.

LEOPARDS TOP BEARS ON "FIRSTS"

5 Downs Prove District Cinch

Predicted to be the toughest game of the season, the battle with SOC proved to be one of the closest in more ways than one.

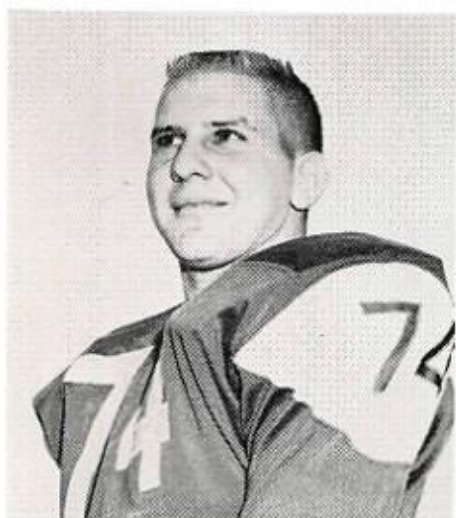

Adamson held the lead until late in the third quarter on points, but SOC completed a pass and a kick for the tie. The Bears led on penetrations, which would have won the game, until Ray Don Matthews recovered a SOC fumble on the Adamson 38.

The Leopards were ahead on first downs (8-6) but behind on the all important penetrations (2-3). Mike Pitman made a two yard run to the SOC 19 which tied the penetrations. With a 11-6 lead on downs, the Leopards beat the Bears for the first time since 1953.

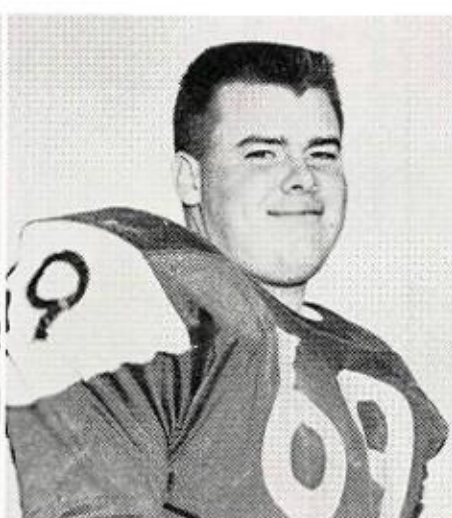

ADAMSON	0	7	0	0-7
SOC	0	0	7	0-7

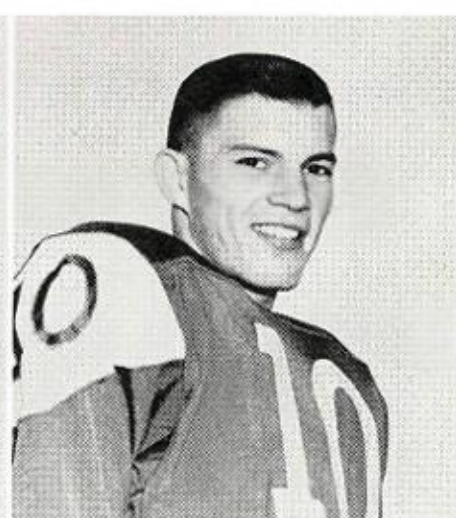

Slightly favored South Oak Cliff gave the Leopards a hard time for the South Zone 6 AAAA title, but in the end the 5 first downs gave the hard-hitters a victory crown for the rest of the season.

Adamson put the leash law in effect on the winless North Dallas Bulldogs for the third district win of the '60 season.

The Leopards kept the ball throughout the first quarter until the score. Pitman ran 20 yds. to the Bulldog's 18, and again carried the ball over for the score. Sonny Glasco ran the extra points (above). Pitman again scored, this time after a pass interception and nine plays. Bauman kicked the point, making it 23-0. Walter King gained 47 yds. in seven plays for the final touchdown. Bauman again kicked.

ADAMSON BEATS OLDEST RIVAL

Young's efforts to pass to Pitman.

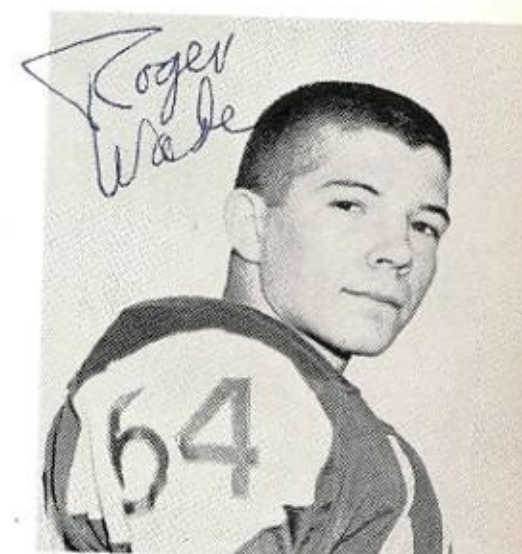

Both tradition and determination sparked the Leopards a proud score and a South Zone title against an old rival—the Sunset Bisons.

Leading city scorer (88 TD's) completed the first touchdown with a seven yard dash. The kick failed and Sunset recovered for their first score.

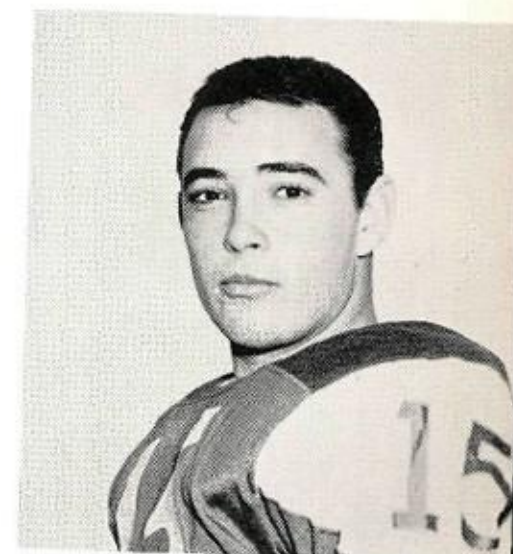

72 yards later, Pitman caught a 27 yard pass from Dicky Young. Mathews ran the extra points with fine blocking from lineman Moody, Hearne, and Clinton. Sunset again scored, and with 2:28 left in the third quarter, the score was tied.

65 yards, 10 plays, and Stanley Puckett were the combined efforts which made the 20-14 score. With 13 seconds left to play, Pitman again scored for Adamson.

LEOPARDS VIE FOR CITY TITLE

The pigskin race between North Zone winner Samuell and South Zone winner Adamson offered the most exciting bout of the 1960 football season.

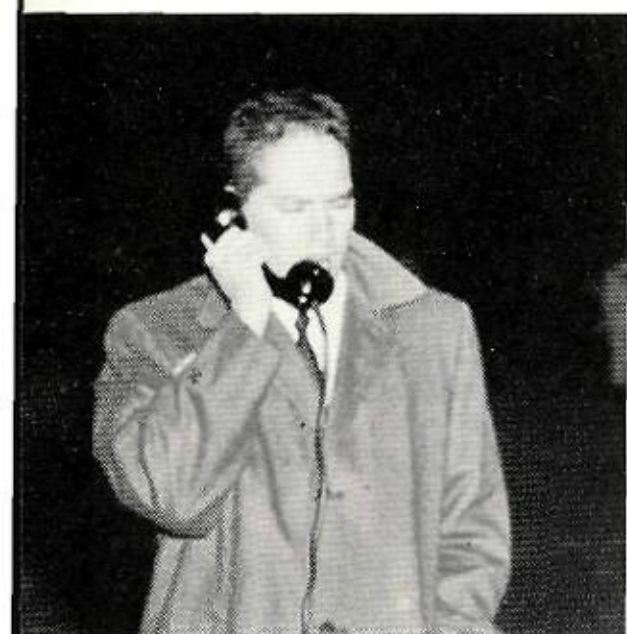

Adamson died valiantly before a crowd of 14,500 at Cobb stadium, but the next week saw W. W. Samuell fall before Ft. Worth Pascal for the state play-offs.

Most of the action stayed down to earth with both teams completing only a few passes throughout the game. To prove the bout more competitive, there were five touchdowns but not one single extra point.

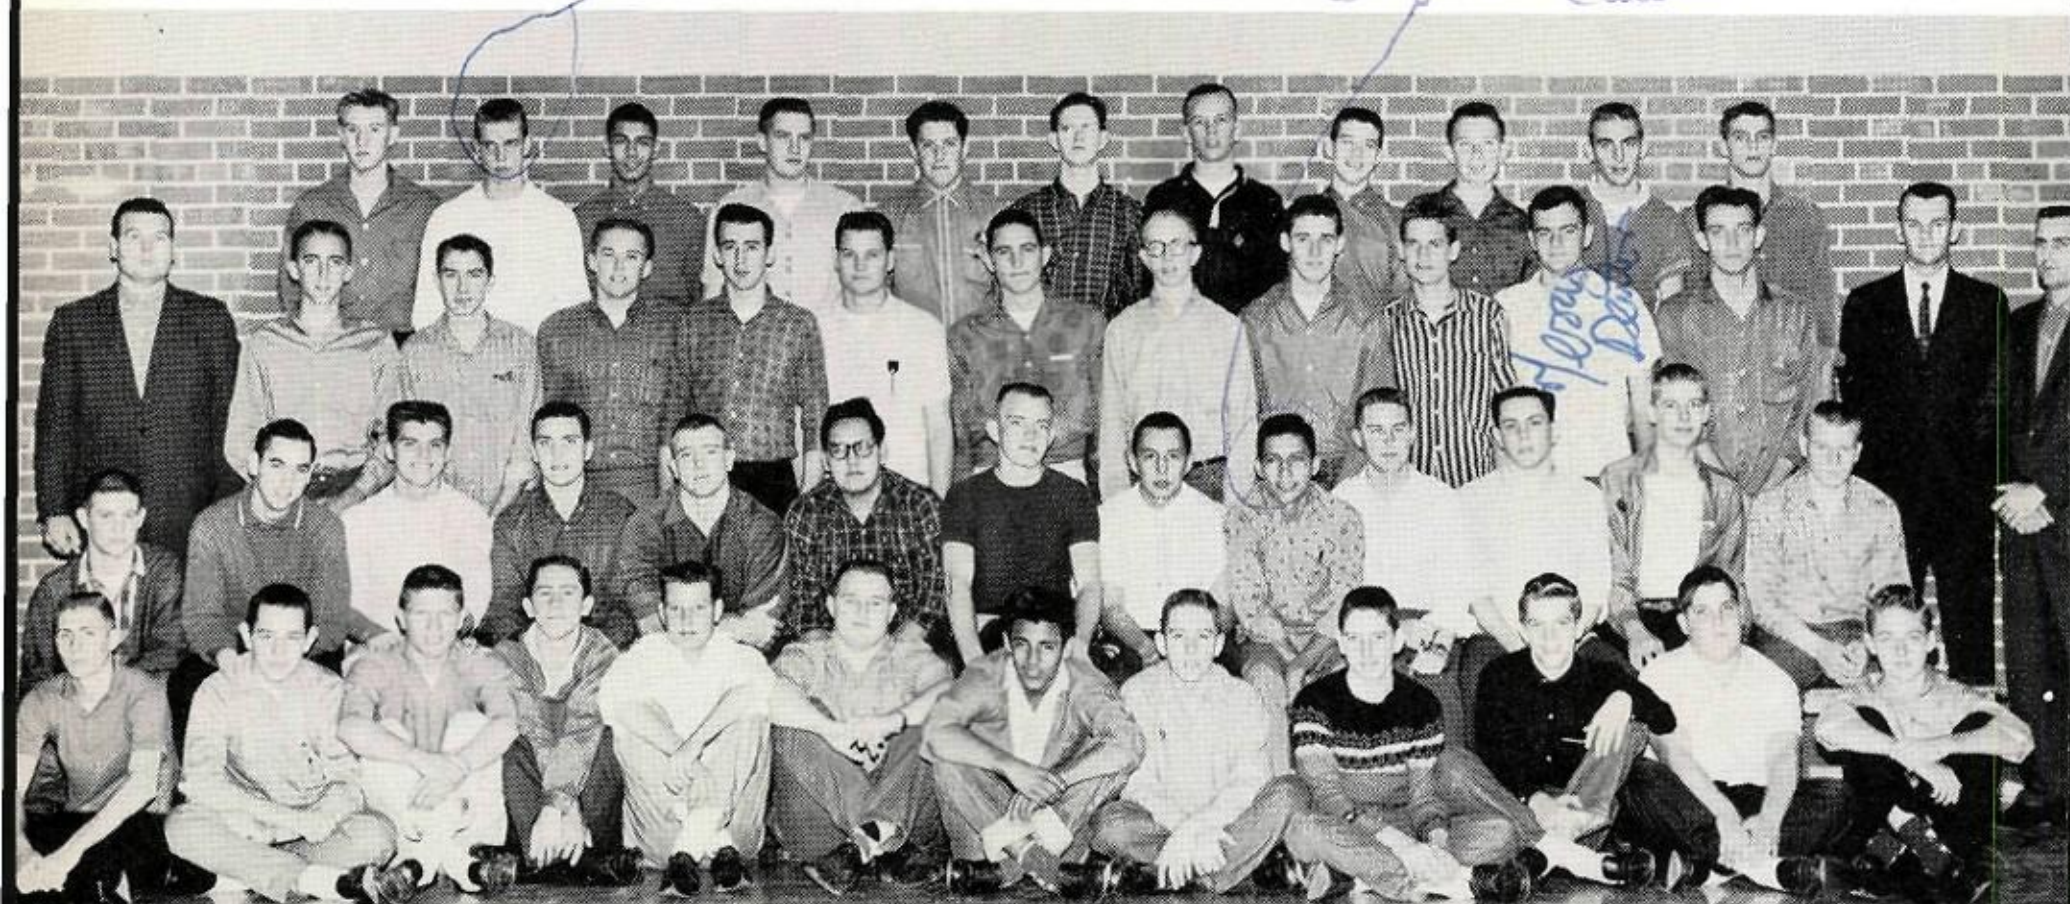

The play-off for city marked the end of a very successful '60 football season.

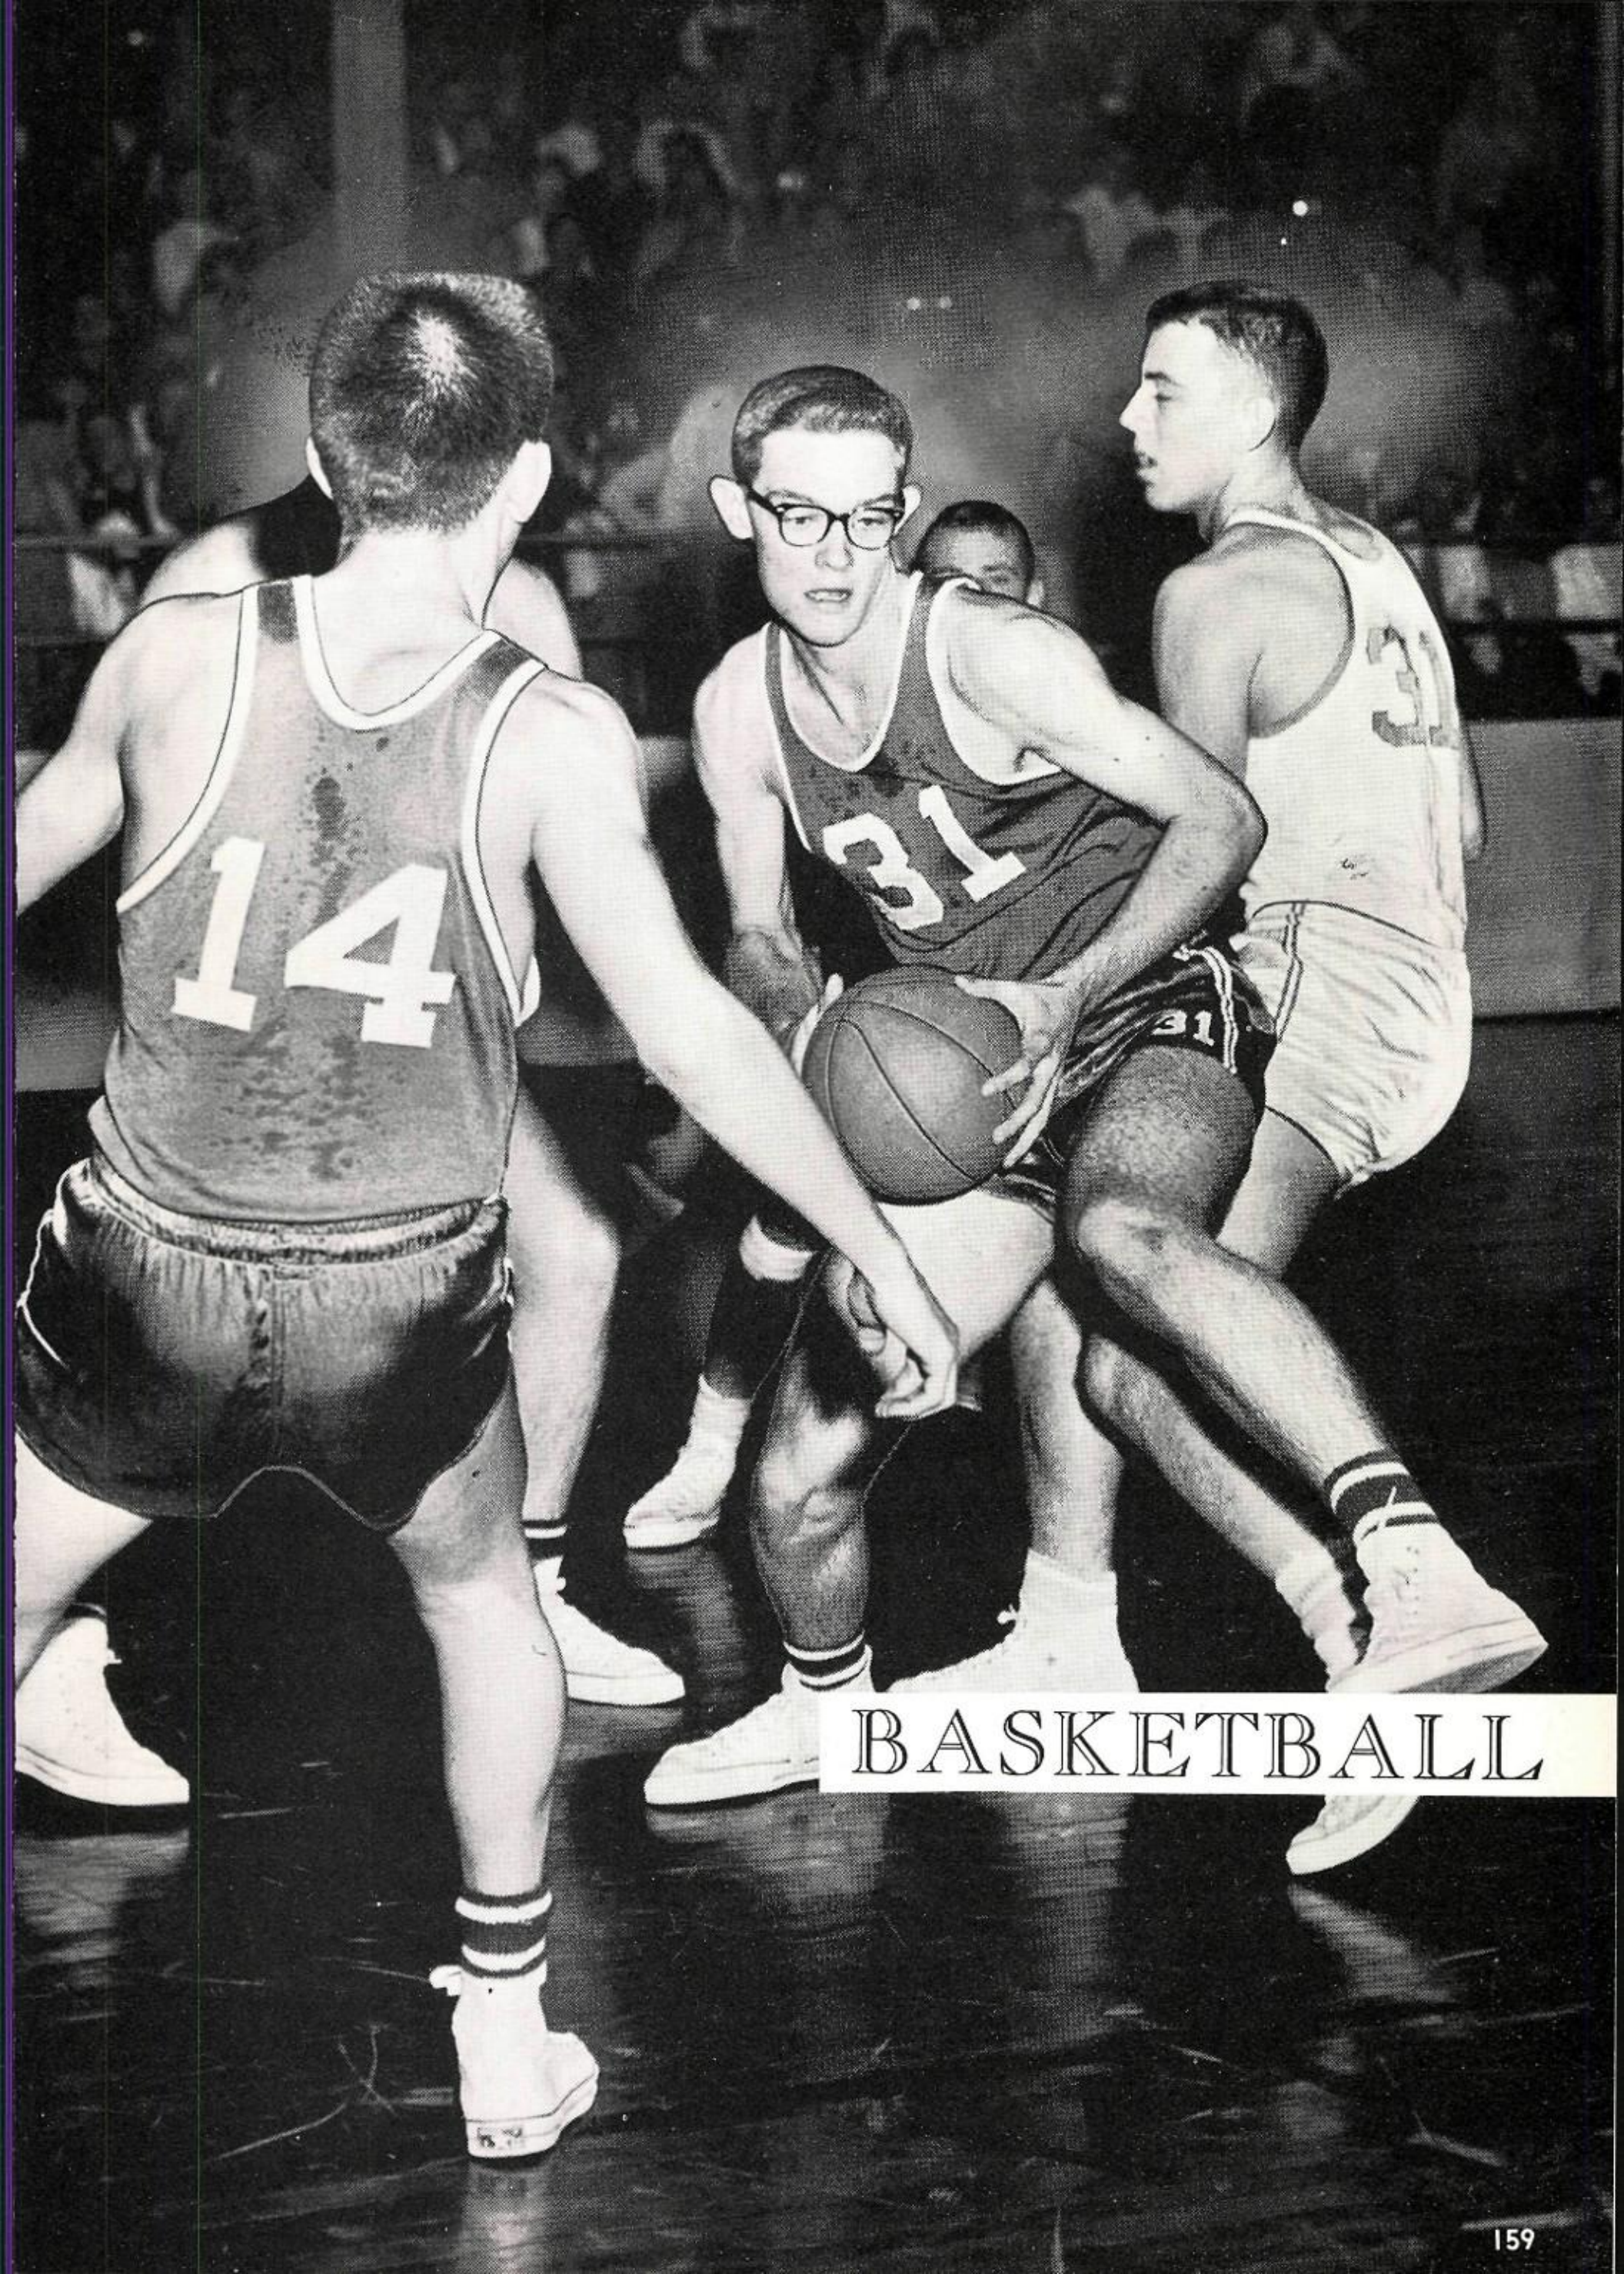

SAMUELL	6	6	6	0-18
ADAMSON	0	6	0	6-12

Adamson's three coaches express tense emotions as the Leopards compete for the city title. Back field coach Roland Halmark (left) talks with officials in the press box. Head coach Jim Batchelor instructs his all-city end Stanley Puckett (center). George Brownlee (right) consults supervisors.

The '61 basketball season proved itself very successful for the Leopard cagers.

Coach Jake Carter's pre-season worries vanished as the Adamson five captured the Longview first place Trophy and rated high in such tournaments as the Dr. Pepper Tournament and others. District play started on the right foot with four straight wins in the first round, with only SOC turning the table of defeat by a two point win which was scored in the last few seconds of the game.

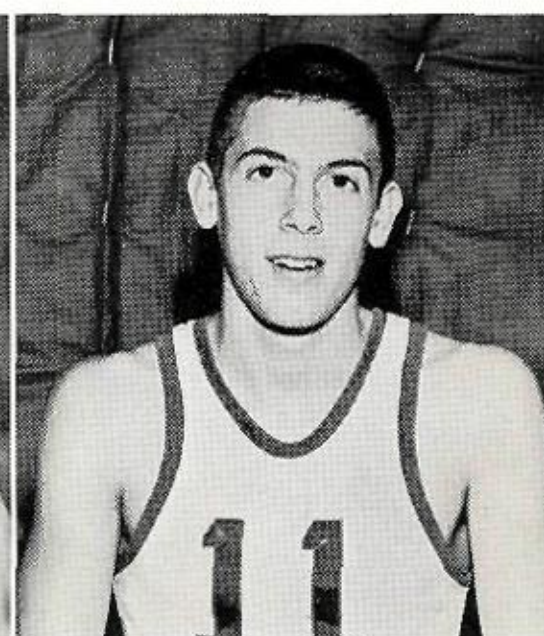

The second round found two defeats for the Leopards, but a win over the South Zone Champion. At one time, there was a three way tie for the South Zone District AAAA title between SOC, Kimball, and Adamson. SOC later proved victorious for the title, but bowed to North Zone Winner Samuel for the City Title.

The 1961 Track Team proved to be a vital force for city honors. Two returning lettermen and one hopeful junior high prospect provided Coach Roland Hallmark with good material.

Shot and discus thrower Stanley Puckett captured titles in early meets. Cozart, 2 year pole vault letterman, was injured with a sprained ankle, but managed to recuperate in time for early meets. Sophomore Jimmy Bowman brighten the future for tracksters of Leopardland.

Beginning his third year as track coach, Mr. Hallmark felt that 1961 would prove to be a successful year for the Squad and that they would bring honors to Adamson.

DISTRIBUTIVE EDUCATION

MISS NELL PAGE: Instructor

The cooperative part-time school program enables a limited number of students to get practical experience and training on the job and schooling at the same time. D.E. offers opportunity to learn retail selling in actual work situations. The student is of junior or senior classification in order to be in D.E. Students spend one-half day at school and the other half working on the job.

ROW 1: Miss Page, Linda Nash, Betty Jean Turner, Billie Robertson, Patrica Clark, and Sammie White; ROW 2: Lynda Hult, Jerry Lawrence, Donnie Orr, Billy Camp, and Roy Ortiveros; ROW 3: Ernest Rains, Jackie Lasseter, Roy Nevil, Fil Terral, Gordon Heath, Daniel Page, and Freddie Stephenson; ROW 4: Calvin Pelt, Ronnie Files, Mike Murphy, Kenny James, Donnie Young, Edwin Whitted, Tommy Turner, and Viril Dawson.

INDUSTRIAL COOPERATIVE TRAINING

The I.C.T. program offers a large number of trades and occupations from which the student may select and which he may learn on the job. Credit is given for only one and one-half, or two years' work in this program. It is impossible for a student to pass one phase and fail the other. If a student is to receive credit, he must do creditable work in both the classroom and the work experience division.

ROW 1: Sandra Johnson, Judy Tallent, Meredith Duncan, Jan King, and Donna Johnston; ROW 2: Mary Crocker, Toby Waldie, Carol Liles, Leslie Sperry, Margaret Stransan, Sylvia Thompson, Mary Street; ROW 3: Robert Haynes, Joe Bob Wilcoxon, Edgar Cole, Jack Morrison, Jim Miller, Gerald Eaves. ROW 4: William Bassett, Jimmy Winters, Henry Young, Charles Halteman, Mr. Melton, Melvin Whitty, Glynn Ward, Lynn Ward.

SENIOR PLAY

"Our Town"

Thornton Wilder's prize winning play, "Our Town" was presented by the 1961 Senior Class.

"Our Town" takes place in Grover's Corners, New Hampshire. The absence of scenery and props allowed the audience to use their imagination concerning scenery.

The first act of the play outlined the history of the town and the characters involved. The second act concerned the love affair between young George Gibbs and Emily Webb, and thus ended in a moving wedding scene. The third act led the audience to the cemetery on the hill where Emily is brought. At first she wished to return to her old home, but she was shown how impossible and how futile it was to return.

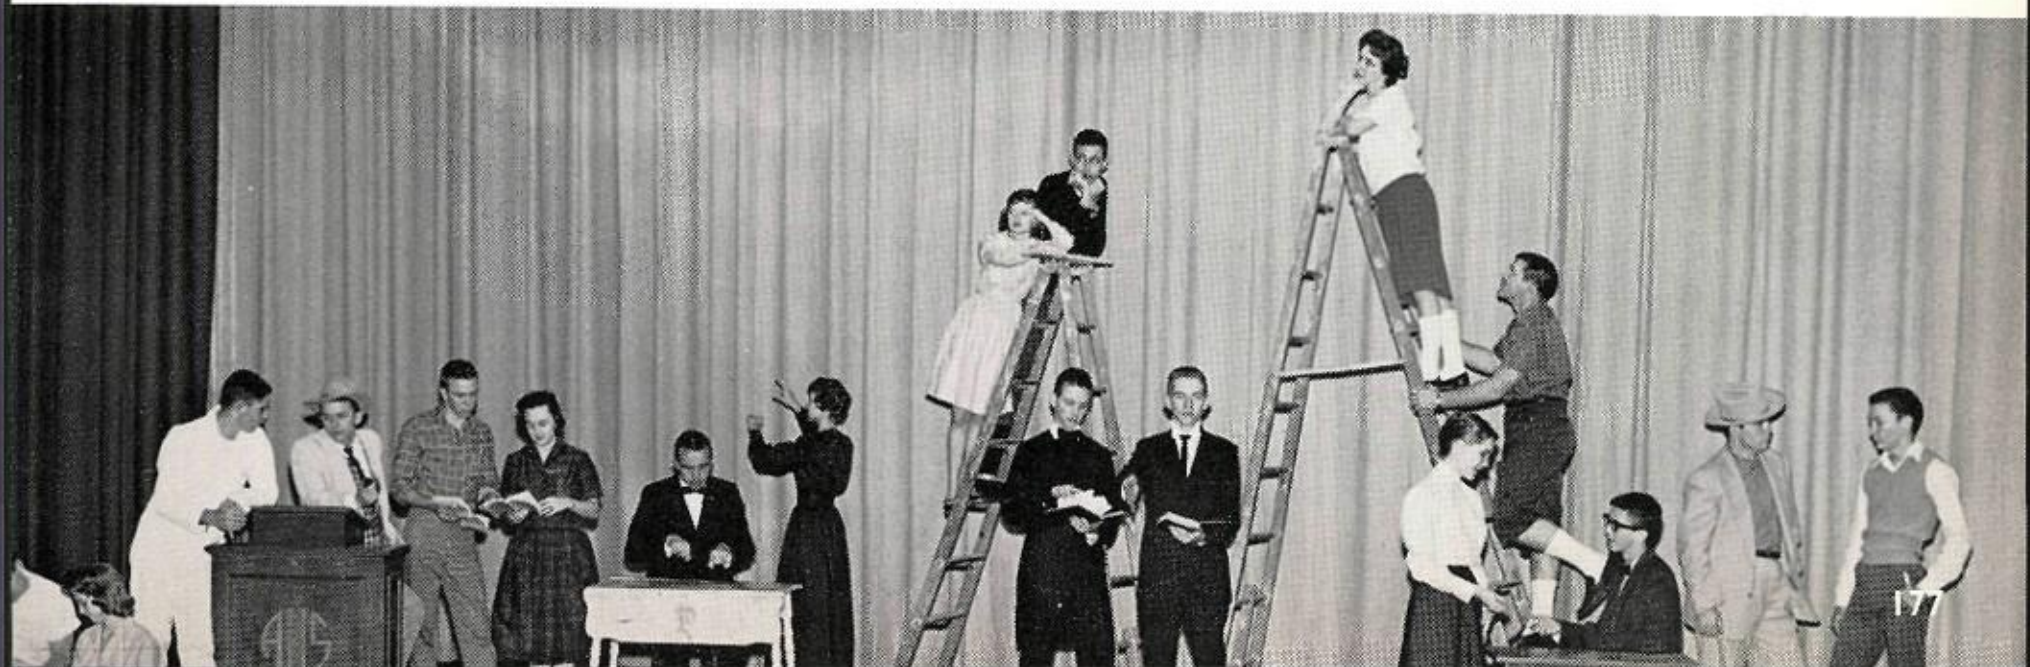

The main theme of the play is that living people, occupied with their petty occupations and small thoughts, know little of true joy or happiness.

The play was put on under the direction of Miss Welhelmina Hedde and Judy Gunn and Ronnie Lowe served as student directors.

THE SYMPHONIC BAND

The entire school was justly proud of this organization when, for the first time in current history, it was named the outstanding concert band in the zone and one of the three bands to win a superior rating in the annual City Band Festival. This rating carried with it the honor of representing the instrumental department of the public schools in the "Stars Over Dallas" concert at Memorial Auditorium. The members won forty-one gold medals and numerous ribbons in solo and ensemble competition.

Among the symphonic band's frequent public appearances were four assemblies, concerts at four elementary schools and two junior highs, and competition in the Thomas Jefferson Festival of Bands and the City Festival. Individual members and ensembles were active and much in demand in the city's musical life and could be found playing in church orchestras, at the Dallas Museum of Fine Arts, in other schools' programs and at the Texas premiere of a major movie. Highlight of the season is the recently established Band Spectacular which features outstanding soloists and presents a sight and sound montage of the year's work. Seven members of this year's band won coveted spots in the city's top instrumental group, the Dal-Hi Symphony, which made concert, radio and television appearances and played for the school administrators. Seven bandsmen went to All-Region, where Bob Ragan was first chair clarinetist and concertmaster. Additional honors came to the school when Bob Ragan and Jim Fisher were named to the All-State Band and the All-State Orchestra.

STUDENT COUNCIL BREAKFAST

On March 8, 1961, the Adamson Student Council held a breakfast in honor of the faculty and in appreciation of their interest and untiring efforts in working with the students of our school.

This is just one of the many services of the Student Council. One of the most remembered events of the morning meal were the poems composed by Student Council members about faculty members. For instance, Mr. Stevenson's eyes are brown, every Saturday night, he's seen on the town!"

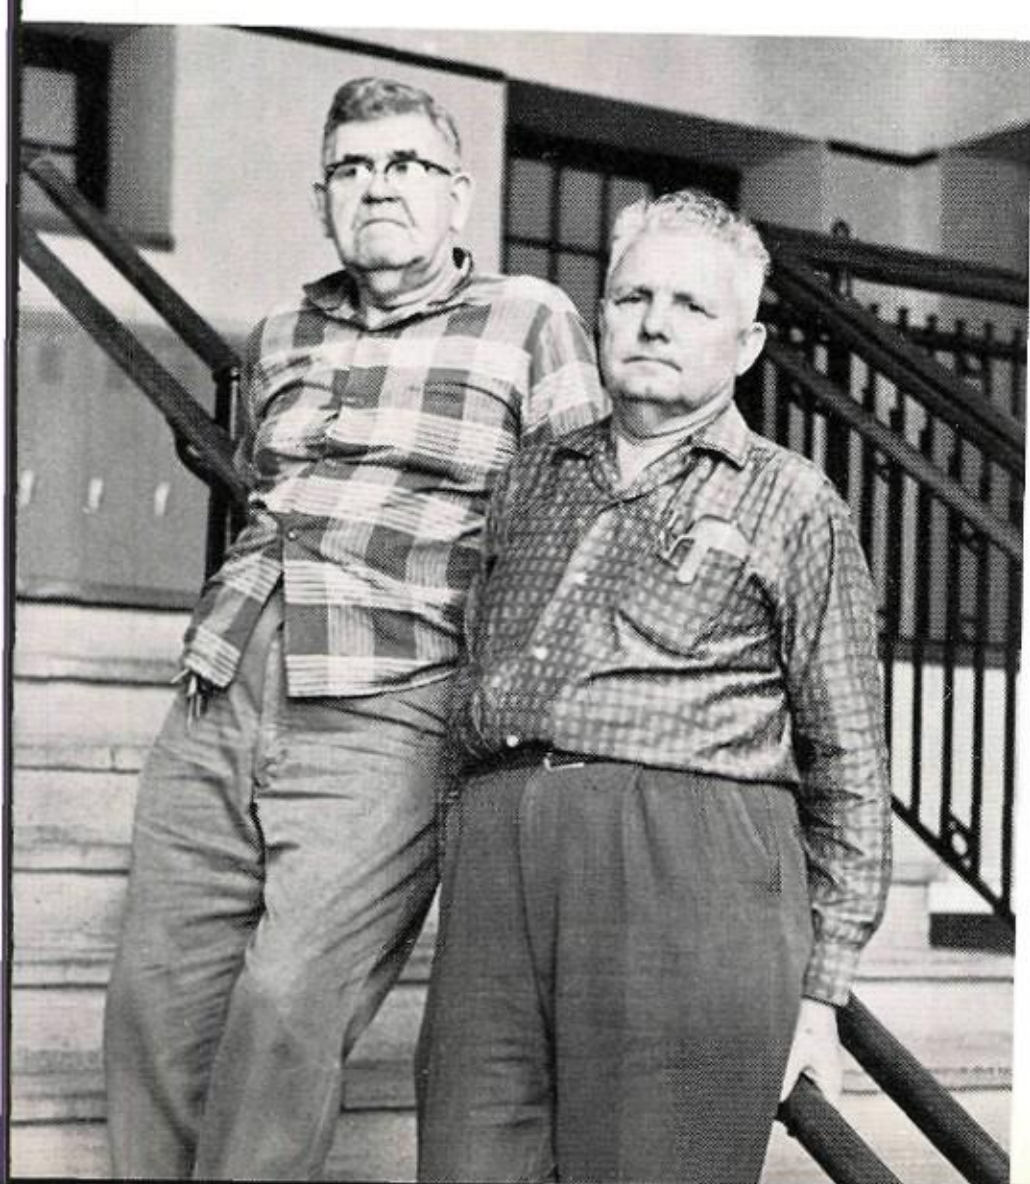

LUNCHROOM STAFF

Love, mama

Pausing a moment for this picture is "our crew," the lunchroom cooks that prepare the food for the Student Body everyday.

CUSTODIANS

Coming from Jefferson Davis last year is our head custodian Mr. Tucker. Mr. Bibbs is one of his ablest assistants. They truly manage to keep our school clean and neat.
